RAJASTHAN SERVICE RULES
VOLUME - II
APPENDIX - I

Administrative Instructions in connection with the Service Rules

The Government are pleased to make the following Rules in connection with the Service Rules :-

I. Charge of Office

1. Unless for special recorded reasons (which must be of public nature) the authority under whose orders the transfer takes place permits or requires it to be made in any particular case elsewhere, or otherwise, the charge of an office must be made over at its headquarters, both the relieving and the relieved Government servants being present.

Government of Rajasthan's Decision

1 [It has come to the notice of the Government that on the issue of transfer orders the relieving Government servant reports for duty to take charge of the post to which he has transferred, but for one reason or the other the Head of Office / Department or the Government servant to be relieved intentionally delays or avoids the handing over of the charge.

The matter has been examined and it has been decided that on receipt of transfer orders charge should be made over immediately on the arrival of the relieving Government servant. If any intentional delay is caused in handing over charge, the relieving Government servant shall assume charge of the post and the relieved Government servant shall be deemed to be on extraordinary leave unless leave with pay, as due is sanctioned, with effect from the date of assuming of charge by the relieving Government servant by the competent authority. ]

Government of Rajasthan's Instructions

2 [In Finance Department Memo dated the 7th November, 1969 (appearing as decision No. 1 above) instruction were issued to ensure immediate compliance of the transfer orders, no sooner the relieving officer has arrived for taking over charge. The Accountant General, Rajasthan has brought to notice of the Government that these instructions are not followed properly. The Government view this non-compliance seriously and issue the following further instructions, the compliance whereof may be ensured rigidly:-

1. The Relieving Government servant should immediately on assumption of charge, send copies of the charge report to the Treasury Officer and to his controlling officer, indicating the name of the officer deemed to have been relieved in the charge report.

2. The controlling Officer on receipt of intimation should write to the Treasury Officer requesting discontinuance of payments to the officer who avoided to handover charge and who has been deemed to have been relieved in these circumstances, with a copy to the Accountant General, Rajasthan.

1 Inserted vide F.D. Memo No. F.1(72) FD (Rules)69, dated 7.11.1969.
2 Inserted vide F.D. Memo No. F.1(72) FD (Rules)69, dated 15.07.1970
3. The question whether there has been intentional delay in handing over charge or the Government servant avoided to handover charge, will be determined by the authority competent to issue transfer orders, and this authority will regularize, where necessary, the period of delay by grant of leave with pay from date the relieving Government servant assumes charge of the post.

2. The condition imposed by the rule that both the relieving and the relieved government servants must be present need not be enforced in the case of the Government servants who are permitted to combine vacation with leave. In such cases the following procedure should be followed:

(a) When vacation prefixed to leave the outgoing Government servant will report before leaving headquarters, or if for urgent reasons the leave is granted during vacation, as soon as it is granted that he takes over charge with effect from the end of the vacation. The relieving Government servant will then take over charge at the end of the vacation in the ordinary way.

(b) When the vacation is affixed to leave the Government servant to be relieved will take over charge in the ordinary way before the vacation, the incoming Government servant on return at the end of the vacation taking over charge with effect from the beginning of the vacation.

Government of Rajasthan’s Decision

1[ A question has been raised whether counter-signatures by a higher authority are essential on charge reports of taking over/handing over of Gazetted Officer. The question has been examined and it has been decided that counter-signature by the immediate superior officer is essential only where an officer hands over or takes up and there is no officer to whom he hands over or from whom he takes over.]

3. As a general rule, and subject to any special orders to the contrary in particular cases, the headquarters of a Government servant on the staff of Government, as for instance, a Secretary to Government or a clerk in the Government Secretariat, are the headquarters, for the time being, of the Government, to which he is attached.

The Headquarters of any other Government servant is either the station which has been declared to be his headquarters by the authority which appoints him, or, in the absence of such declaration, the station where the records of his office are kept.

Leaving Jurisdiction

4. No Government servant other than a police officer acting within his legal powers is entitled to pay or allowance for any time he may spend beyond the limits of his charge without proper authority.

5. A competent authority may authorize a Government servant under his control to proceed on duty to any part of India whether within or beyond its jurisdiction or to any Foreign Settlement in India.

6. A Government servant permitted under this rule to proceed to any place/on duty may take with him such establishment and records as are absolutely necessary for the efficient discharge of his duties.

1 Inserted vide FD Memorandum PUC No. 2487 F.7-A(44) FD-A/Rules/57, dated 20.5.1958
7. A Controlling Officer may allow any Government servant subordinate to him to proceed on duty to any part of the territories of Rajasthan or to a district or a Foreign Settlement adjoining the jurisdiction of the Controlling Officer and to draw travelling allowance.

II. Suspension During Pendency of Criminal Proceeding or Proceedings or Arrest for Debt or During Detention Under a Law Providing For Preventive Detention

(a) A Government servant who is detained in custody under any law providing for preventive detention or as a result of proceeding either on a criminal charge or for his arrest for debt shall, if the period of detention exceeds 48 hours and unless he is already under suspension, be deemed to be under suspension from the date of detention until further orders as contemplated in Rule 13(2) of the Rajasthan Civil Services (Classification, Control and Appeal) Rules, 1958. A Government servant who is undergoing a sentence of imprisonment shall also be dealt with in the same manner, pending a decision on the disciplinary action to be taken against him;

(b) A Government servant against whom a proceeding has been taken on a criminal charge but who is not actually detained in custody (e.g. a person released on bail) may be placed under suspension by an order of the competent authority under clause (b) of Rule 13(1) of Rajasthan Civil Services (Classification, Control and Appeal) Rules 1958. If the charge is connected with the official position of the Government servant or involving any moral turpitude on his part, suspension shall be ordered under this rule unless there are exceptional reasons for not adopting this course;

(c) A Government servant against whom a proceeding has been taken for his arrest for debt who is not actually detained in custody may be placed under suspension by an order under clause (a) of Rule 13(1) of the Rajasthan Civil Services (Classification, Control and Appeal) Rules, 1958 i.e. only if a disciplinary proceeding against him is contemplated;

(d) When a Government servant who is deemed to be under suspension in the circumstances mentioned in clause (a) or who is suspended in circumstances mentioned in clause (b) is re-instated without taking disciplinary proceedings against him, his pay and allowances for the period of suspension will be regulated under Rule 54, i.e. in the event of his being acquitted of blame or (if the proceeding taken against him was for his arrest for debt) or its being proved that his liability arose from circumstances beyond his control or the detention being held by any competent authority to be wholly unjustified, the case may be dealt with under Rule 54(2), otherwise it may be dealt with under Rule 54(3).

1 Substituted for the following by F.D.Memo No. 2467/59/F-7A(1) F.D. A/Rules/58-I, dated 10.8.1959 and will take immediate effect.

"1. A Government servant against whom proceedings have been taken either for his arrest for debt or on criminal charge for who is detained under any law providing for preventive detention should be considered as under suspension for any periods during which he is detained in custody or is under going imprisonment, and not allowed to draw any pay and allowances (other than any subsistence allowance that may be granted in accordance with the principles laid down in Rajasthan Service Rules (Rule 53) for such period until the termination of proceeding taken against him. An adjustment of his allowances for such period should thereafter be made according to the circumstances of the case, the full amount be given only in the event of the officer being acquitted of blame of (if the proceedings taken against him [or until he is released from detention and allowed to join duty] as the case may be (for his arrest for debt) of its being proved that the officer's liability arose from circumstances beyond his control or the detention being held by any Competent Authority to be unjustified).

2. A Government servant against whom a criminal charge or a proceeding for arrest for debt is pending should also be placed under suspension by the issue of specific order to this effect during periods when he is not actually detained in custody or imprisoned (e.g. whilst released on bail) if the charge made or proceeding taken against him is connected with his position as a government servant and is likely to embarrass him in the discharge of his duties as such or involves moral turpitude. In regard to his pay and allowance, the provisions of paragraph 1 above shall apply."
III. Casual Leave

1. Casual leave is not recognized and is not subject to any rule. Technically, therefore, a Government servant on casual leave is not treated as absent from duty and his pay is not intermitted. Casual leave however, must not be given so as to cause evasion of the rules regarding:-

(i) date of reckoning pay and allowances, (ii) charge of office, (iii) commencement and end of leave, (iv) return to duty,

or so as to extend the term of leave beyond the time admissible by rule.

Clarification

1[ There are occasions when Government servants keep away from duty without obtaining prior sanction of casual leave assuming that such leave would be sanctioned in due course. Attention of all Government servants may, however, be invited to Part III of Appendix I of the Rajasthan Service Rules, Volume II, according to which a person on Casual Leave continues on duty and, therefore, the grant of casual leave is a matter entirely at the discretion of the sanctioning authority. There can thus be no presumption that casual leave asked for will always be sanctioned. If the sanctioning authority considers that Government work will suffer, he may refuse casual leave. A Government servant whose application for casual leave is rejected and who is not present on duty will be guilty of willful absence from duty. Such willful absence amounts to interruption in service involving forfeiture of past services as well as mis - behaviour.]

2[Inserted vide FD Memorandum No. F. 1(44) FD (Exp-Rules)/64, dated 22.5.1965.

Government of Rajasthan's Instructions

1[1. In accordance with 'Clarification' appearing in section-III Casual Leave of Appendix I of the Rajasthan Service Rules, Volume-II a Government servant is required to obtain prior sanction of casual leave before availing of such leave.

It has been represented to Government that sometimes the Government servant experiences genuine difficulties in obtaining prior sanction for grant of casual leave, because of his own or his family members or relatives illness or for any reason beyond his control. The sanctioning authorities may take a sympathetic view in such cases and on merit of the case, accord ex-post – facto sanction of casual leave for such occasions, e.g. illness, attendance in hospital, attending funerals, even when prior sanction for the same has not been obtained by the Government servant concerned.]

2[2. Under Finance Department Memorandum No.F.1(44)FD (Exp-Rules)/64 dated 22.05.1965 (appearing as clarification above) it has been clarified that a Government servant who does not obtain prior sanction of casual leave and whose application for casual leave is rejected by the sanctioning authority and who is not present on duty, will be guilty of willful absence from duty. Such willful absence amounts to interruption in service involving forfeiture of past service as well as misbehaviour, vide Memo No.F.1(34)FD/Rules/70, dated the 30th June, 1970 the leave sanctioning authorities were asked to take a sympathetic view in granting casual leave in cases of genuine nature i.e. where it was not possible to obtain prior sanction for the grant of casual leave.

In order to enforce the provisions of the Finance Department Memo No.F.1(44)FD(E-R)/64, dated 22.05.1965, except in the circumstances narrated in the Finance Department Memo dated 30.06.1970 referred to above, it is necessary that sanctioning authorities should ensure that applications for casual leave are refused before due date and such refusal is communicated to the Government servant concerned. Mass Casual leave, however, will not require individual rejection by the sanctioning authority. The leave sanctioning authority shall, however, pass orders rejecting Mass Casual Leave. A copy of the order issued to this effect that casual leave has not been sanctioned would be placed on the Notice Board by the leave sanctioning authority for information of all concerned. Mass Casual Leave will amount to absence from duty as a strike measure and the Government servants concerned will be considered guilty of willful absence from the duty.]

3[Regularisation of the period of absence from duty of Government servants who remained on strike during the period from 9th January, 1989 to 23rd February, 1989: The Governor has been pleased to order that the absence from duty of Government servants who participated in the strike from 9th January, 1989 to 23rd February, 1989 may be regularised by grant of Privilege Leave due and admissible to them. In case Privilege Leave in balance in favour of an employee falls short of the period of absence from duty during which he remained on strike, the residual period shall be adjusted against the Privilege Leave which he will earn in future. In such cases Privilege Leave for any other purpose shall not be granted till full period of absence on account of remaining on strike is adjusted against Privilege Leave. The Privilege Leave sanctioned (due or to be earned) shall be entered in the leave account of each employee.

Every Government servant who desires to get the period of absence from duty regularised in the manner stated above shall be required to apply for Privilege Leave in the prescribed form. In case application for grant of Privilege Leave has been received but sanction of leave as above is likely to take some time, leave salary may be drawn in anticipation of sanction of Privilege Leave as above.

Government servants who are posted in a place other than the place where office of the Head of Office is located shall be required to give an undertaking in regard to the days on which they attended their duties during the period from 9th January, 1989 to 23rd February, 1989. The undertaking will be taken by Heads of Offices invariably from such employees in the following form -

1 Inserted vide F.D. Memo No. F. 1 (34) FD (Rules)/70, dated 30.6.1970
3 Added vide F.D Order No. F.1(1) FD (Gr.2)/89, dated 25.2.1989.
"I hereby solemnly declare that I attended my duties on .................(........days) during the period from 09.01.1989 to 23.02.1989 and remained on strike for rest of the days, in case my statement is found false or proved untrue, I shall be liable to subject myself to disciplinary proceedings under the Rajasthan Civil Services (Classification, Control and Appeal) Rules, 1958."

The Heads of Offices are requested to satisfy themselves about the period of strike in regard to each employee on the basis of office record of undertakings given by the employees (the condition of undertaking is applicable in respect of those employees only who are posted at places other than the place where office of the Head of Office is located). They are further requested kindly to take immediate steps for regularisation of the period of absence from duty by grant of Privilege Leave in accordance with this order. It may also be ensured that leave application from each employee is obtained and sanctioned by 15.03.1989. Salary for the period from 24.02.1989 onwards may be paid only after Privilege Leave for the strike period is sanctioned (due or to be earned) and entered in the leave account.

This order is issued in relaxation of the provisions contained in the Rajasthan Service Rules and General Financial and Accounts Rules.

1[In continuation of this department order of even number dated 25th February, 1989 the Governor has been further pleased to order that the absence from duty of the Government servants who continued on strike up to 26th February, 1989 may also be regularised by grant of Privilege Leave on the same terms and conditions as stipulated in this department order of even number dated 25th February, 1989.

This order is issued in relaxation of the provisions contained in the Rajasthan Service Rules and General Financial & Accounts Rules.]

2[The Governor has been pleased to order that the period of absence from duty of the Government servants who participated in the employees strike from 16.03.1994 but resumed their duties by 25/26.03.1994 to the government, the period of strike from 16.03.1994 to 25.03.1994 may be regularised by grant of Privilege Leave due and admissible to them. In case of Privilege Leave in balance of an employee falls short of the period of absence from duty as above, the residual period shall be adjusted against the Privilege Leave to be earned in future. In such cases Privilege Leave for any other purpose shall not be granted till full period of absence as above is adjusted against Privilege Leave.

The Privilege Leave sanctioned (due or to be earned in future) shall be entered in the leave account of each employee.

Every Government servant who desirous to get the period of absence from duty to be regularised in the manner indicated above, shall be required to apply for Privilege Leave in the prescribed form.

This order is issued in relaxation of the provisions contained in Rajasthan Service Rules & General Financial & Accounts Rules and applies only to those employees who proceeded on strike from 16.03.1994 but resumed their duties on 25.03.1994 pursuant to the appeal made by Government]
Regularisation of the period of absence from duties of the employees who could not attend office due to imposition of Curfew in some of the areas of the Jaipur City: On account of outbreak of riots Curfew was imposed in some of the areas of the Jaipur City in the afternoon of 27th November, 1989. On account of imposition of Curfew the Government servants involved in the affected areas could not attend office or may not be able to attend office till imposition of Curfew continues.

The matter has been considered and the Governor is pleased to order that the period of absence from duty of the employees who could not or may not attend office so long as Curfew continues in the concerned areas may be regularised by grant of special casual leave of making of an application by the concerned employee and stating therein that he could not attend office due to imposition of Curfew in the area, where he resides or his office is located or the areas through which he has to pass for attending the office.

On account of outbreak of riots in any part of the State, Curfew has to be imposed by the District Administration in the affected areas to control the law and order situation and as a consequence of imposition of Curfew, the Government servants held up in the affected areas can not attend office or may not be able to attend office till imposition of Curfew continues. Some reference for regulating the period of absence from duty of such employees are pending in the Finance Department.

The matter has, therefore, been considered in reference to the previous order of even number dated 07.12.1989 and the Governor is pleased to order that wherever such situation arises, the period of absence from duty of the employees who can not or may not attend office in the duration of Curfew in the concerned areas may be regularised subject to verification of facts, by grant of Special Casual Leave to the concerned employees on making of an application by him stating therein that he could not attend office due to imposition of Curfew in the area where he resides or office is situated or the areas through which he has to pass for attending the office. Past cases occurred in any part of the State till now will be covered by this order.

Except as provided in clause (b) of this para the maximum period of casual leave admissible to Government servants will be 15 days in a year subject to limit of 10 days at any one time.

(b)(i) The maximum period of casual leave admissible to Sub-Inspectors, Assistant Sub-Inspectors, Head Constables and Constables of Police Department shall be 25 days in a year beginning from 01.01.1979 subject to a limit of 10 days at any one time.

The maximum period of casual leave admissible to the staff of Fire Services of the Civil Defense Organisation shall be 25 days in a year beginning from 01.01.1980 subject to a limit of 10 days at any one time.
Exception: The word 'year' in respect of Government servants of Vacation Department viz., Government Colleges (including Veterinary, Medical etc.), Schools, Polytechnics & other Educational Institutions shall mean year beginning with 1st July and ending on 30th June.

This will come into force with effect from 01.07.1963. The Casual Leave account for the period to 01.07.1963 may be treated as closed with effect from 01.07.1963. This order is applicable to the Government Servants only who enjoy vacations.

A question has been raised as to whether casual leave of a year can be combined with the casual leave of next year or not, it is clarified that combination of casual leave of a year is not permissible with the casual leave of next year. For example a Government servant on casual leave at the end of the year viz. on 31st December (or 30th June in case of vacation department) shall not be allowed to avail casual leave on commencement of the next year i.e. on 1st January or 1st July, as the case may be, even though the casual leave of both the years put together does not exceed the prescribed limit of 10 working days at a time.

This clarification shall take effect from 1st January, 1986.

In supersession of F.D. Clarification of even number dated 30.12.1985, it is clarified that combination of Casual Leave of a year is permissible with Casual Leave of the next year subject to the condition that the Casual Leave of both the years put together do not exceed the prescribed maximum limit of 10 working days at a time.

Government of Rajasthan's Decisions
Concession in Casual Leave to Garwalis, Nepalis and Gurkhas of the R.A.C. Units

[1. Having regard to the strenuous duties performed and the fact that they have to reside at long distances from their homes, it has been ordered that while proceeding on casual leave for their homes, the Garwalis, Nepalis and Gurkhas of the R.A.C. Units posted on the Indo-Pak border may be allowed a special concession of extra casual leave upto 5 days to cover the actual period spent by them in their journeys to their homes and back, subject to the condition that total period of absence at a time inclusive of holidays, etc. does not exceed 15 days. This concession will be available once a year.]

[2. A question was raised whether part-time employees should also be allowed casual leave like whole-time Government servants. The matter has been examined and it is held that there is no objection to the grant of casual leave to the part-time employees like other Government servants.]

[3. Sundays, Gazetted holidays and weekly offs which immediately precede a period of casual leave or come at the end may be prefixed or suffixed to such leave and these falling within a period of casual leave will not be counted as part of the casual leave.]

This order will take effect from 1st December, 1964]

Casual leave already enjoyed during the current year will not be affected by this]

3 Added vide F.D Clarification No. F.1 (44) FD (Gr.2)/83, dated 2.4.1991 w.e.f 1.1.1986.
6 Substituted vide F.D NO. F.1 (44) FD (ER)/64, dated 24.11.1964.
"3 Sundays and other Gazetted holidays can be prefixed and or suffixed to casual leave provided the total absence on casual leave, together with Sundays or holidays, does not exceed 10 days at a time. Sundays, Gazetted holidays and weekly offs falling within a period of casual leave will not, however, be counted as part of the casual leave."
7 Inserted vide F.D Order F.35(1) R/51, dated 17.09.1951.
1[5. The Government servant should not leave Headquarters or District without obtaining previous permission.]

2[6. Attention is invited to para 1 of Section III "Casual Leave" of Appendix-I wherein Inter alia, it has been provided that casual leave may not be given so as to cause evasion of Rules regarding commencement and end of leave. These provisions have lead to hardship in case of R.A.C. Force personnel as while proceeding on privilege leave to their homes, they can not prefix casual leave to privilege leave under the existing rules.

The matter has been considered and it has been ordered that the R.A.C. Personnel may be allowed to prefix the whole or unutilized balance of casual leave due, as the case may be, to privilege leave provided that the amount of casual leave so prefixed shall not exceed fifteen days on any one occasion. This order takes effect from 01.06.1964.]

3[6A. The undersigned is directed to refer Memo No.F.1(24)FD(E-R)/64 dated 04.06.1964 wherein the R.A.C. personnel were allowed to prefix the whole or un-utilised balance of Casual Leave due, as the case may be, to the Privilege Leave provided that the amount of Casual Leave so prefixed shall not exceed fifteen days on any one occasion. The maximum limit of Casual Leave to Police personnel has been increased from 15 to 25 days vide this department order of even number dated 20.04.1979.

Government of Rajasthan’s Decisions

Special Casual leave to Government servants permitted to join Territorial Army.

A copy of the Government of India, Ministry of Home Affairs, Office Memorandum No. 25/42/51 Estt. dated August 1, 1951, on the above subject is reproduced below. Government of India have decided inter alia that the periods spent in camp by Civil Government servants permitted to join the Territorial Army should not be set off against the ordinary casual leave of the employees concerned but should in all cases be treated as special casual leave and the periods spent in attending a course of instruction by Civil Government servants, who have joined the Territorial Army, should also be treated as duty.

Government is pleased to order that similar treatment be accorded to the Government servants of this State also who join the Territorial Army.

[Copy of Ministry of Home Affairs - Office Memorandum No. 25/42/51 Esstt. dated the 1st August, 1951, addressed to all Ministries of the Government of India etc.]

Subject: Treatment of the period spent in camp or in a course or instruction by Civil Government servants permitted to join the Territorial Army.

(1) The undersigned is directed to refer to this Ministry’s Office Memorandum No. 25/19/40. Estt. dated the 7th July, 1950 regarding the grant of permission to Civil Government servants to join the Territorial Army, and to say that a suggestion has been made that, since the quantum of casual leave has since been reduced from twenty days to fifteen days in a year, the periods spent in camp by Civil Government servants permitted to join the Territorial Army should not be set off against the ordinary casual leave of the employees concerned but should in all cases, be treated as special casual leave. After careful consideration, the Government of India has decided to accept this suggestion. The undersigned is to request that this decision may be noted and communicated to all concerned. The relevant provision in this Ministry’s Office Memorandum cited above may also be treated to be modified accordingly.

(2) The Government of India have also decided that the periods spent by Civil Government servants who have joined the Territorial Army in attending a course of instruction, which will vary according to the nature of the course but will not exceed three months in duration in any one case, should be treated as duty in the same way as Government servants would be treated when embodied for supporting or supplementing the regular force. Persons sent on a course of training

would also be "embodied" and would therefore be governed by the terms set out in para 4 of this Ministry's Office Memorandum referred to above, in all respects.

(3) In connection with the sending of personnel to attend courses of instruction, the following points should be noted :-

(i) It would be purely voluntary on the part of the individual concerned whether to attend a course or not; and

(ii) The prior permission of the Head of his office would be necessary before an individual gives his assent to proceed on a course and it would be quite open to the Head of the Office concerned to refuse such permission if he considers this necessary in the exigencies of service. Ordinarily, however, such a permission should be granted.

Government of Rajasthan's Decision

2[1. The question regarding the entitlement to special casual leave to female Government servants who undergo puerperal or non-puerperal operations for salpingectomy has been reconsidered.

The position is that the operation of salpingectomy for sterilising women can be done at any time. When it is done two to five days after the delivery it is called puerperal sterilization. When it is done at any other time it is called non-puerperal or gynaecological (gynaec) sterilisation. In the case of puerperal sterilisation, since the female Government servants are already entitled to maternity leave to the extent of six weeks from the date of confinement or upto three months from the date of commencement of maternity leave it has been decided that no special casual leave need be granted to a female Government servant who undergoes puerperal sterilisation. In regard to the other kind of sterilisation, namely, non-puerperal 14 days is essential for the operation and for rest after the operation. It has, therefore, been decided in partial modification of the aforesaid order that special casual leave not exceeding 14 days may be granted to female Government servants who undergo non-puerperal sterilisation.

It has also been decided that special casual leave admissible under paragraph 1 above and to male Government servants in terms of Finance Department order dated 06.05.1964 may be allowed to be combined either with casual leave or regular leave provided such leave in excess of special casual leave has been recommended on medical advice and a medical certificate from the appropriate medical authority under the leave rules applicable to the Government servant concerned in support of leave is produced. In no case, however, special casual leave should be allowed to be combined with casual leave as well as with regular leave at one time.]

3[2. Attention is invited to Finance Department Memo No.F.1(19)FD(E-R)/64, dated 28th October, 1966 (appearing as Govt. of Rajasthan's Decision above) and to say that the question whether a male Government servant whose wife undergoes a non-puerperal Tubectomy operation should be granted any special casual leave for looking after his wife, was under consideration for some time. It has now been decided that a male Government servant whose wife undergoes a Non-puerperal Tubectomy operation, may be granted special casual leave upto seven days. This will be subject to production of Medical Certificate from the Doctor who performed the operation to the effect that the presence of a Government servant is essential for the period of leave to look after the wife during her convalescence after operation.

Past cases which have been decided prior to the issue of these orders will not be re-opened.]

4[3. In the event of a failure of a sterilization operation, if an employee undergoes vasectomy operation for the second time, he should normally be granted special casual leave for six days again on production of medical certificate from the prescribed medical authority to the effect that first operation was failure and the second operation was actually performed.]

5[4. In the event of failure of a tubectomy operation, if an employee undergoes non-puerperal tubectomy operation for the second time she should normally be granted special casual leave for 14 days again on production of medical certificate from the prescribed Medical authority to the effect that first operation was failure and the second operation was actually performed.]

Special Casual Leave for Conference of Service Associations.

2[It has been noticed that some Administrative Department of the Government e.g. Appointments / Judicial Department have sanctioned Special Casual Leave to officers under their administrative control for attending conference of Service Associations.

The grant of such special casual leave by the Administrative Department without Finance Department's prior concurrence is irregular. Attention of the Administrative Departments is invited to provisions contained in Appendix-I Section-III Casual leave / Special leave of the Rajasthan Service Rules Volume II. The correct procedure in such a case is that proposals for grant of special casual leave should be referred to the Finance Department (Rules), which may issue necessary order under the said Appendix. The general policy of Finance Department is to allow special casual leave for undertaking academic work in the Universities or to attend meetings / Seminars / Training Course at State level or All India level with prior permission of the Government, where attendance of Government servants seems in public interest. The Finance Department do not agree to grant of special casual leave to attend conferences of the Service Associations or to participate in personal capacity in the debates, lectures etc, as no public interest is served.

The Administrative Departments are, therefore, requested to ensure that aforesaid procedure is followed and no special casual leave is permitted without prior reference to Finance Department.]

1[The office bearers of the executive body of All Rajasthan State Government Employees Federation and State Level Associations are allowed 10 days special casual leave in a calendar year by the authorities competent to sanction casual leave as provided under Finance Department Order of even number dated 07.11.1978.

Some doubts have been raised regarding exact scope of the aforesaid provisions, whether in cases where the executive body of these organizations are changed during a calendar year, the members of old executive as well as new executive are entitled for 10 days special casual leave separately in a same calendar year or they are to be allowed 10 days special casual leave in proportion of the period, the respective executive body remains active in office.

It is clarified that the intention of the aforesaid order is to permit 10 days special casual leave during a calendar year in total and in cases where executive is changed in mid of calendar year, they should be allowed special casual leave in proportion of the period they remain in office. In no case total special casual leave should cross 10 days maximum limit.]

III-A. Compensation (Casual) Leave in lieu of Holiday

1[1. Compulsory attendance on Sundays and other gazetted holidays justifies the grant to a member of the Ministerial establishment, of compensation (casual) leave for the number of days he is compelled to attend the office, unless the attendance is imposed on him as a penalty. The compensation (casual) leave earned under this instruction will be an addition to the 15 days’ casual leave ordinarily admissible in year.

2. In order to entitle a Government servant to this additional casual leave the attendance in such cases should be under the previous written orders of the gazetted officer in charge, who should say in the order whether or not this attendance is ‘compulsory’.

3. The compensation (casual) leave to the extent actually earned will be allowed by the officer competent to sanction casual leave to the Government servant concerned subject to the same conditions as are prescribed for the grant of casual leave.

NOTE : In lieu of the above instruction, no claim for conveyance charges or extra remuneration will be admitted for attendance on Sunday or other holiday.]

2[Instruction : The aforesaid order shall also be applicable to the Class-IV Government servant from 01.01.1964.]

Government of Rajasthan’s Decision

3[1. The order regarding compensation (casual) leave is not applicable to the personal staff of the officers viz., Personal Assistants, Stenographers, Readers in Courts, etc., as they are expected to work with their Heads even during such holidays and are not, therefore, entitled to compensation (casual) leave.]

5[2. Grant of compensation (casual) leave to Ministerial and Class IV Government servants who can not avail of ordinary weekly off or holidays.

It has been brought to the notice of the Government that there do not exist adequate arrangements in the departments to allow compensation (casual) leave in lieu of weekly holidays and other gazetted holidays to the Government servants belonging to Ministerial and Class-IV services when they are compulsorily required to attend to their duties on such holidays.

Government servants may be allowed compensation (casual) leave provided such Government servants are not required to attend office on holidays as a penalty.

3. Government have noted this matter with concern and it is therefore ordered that suitable instructions may be issued to all heads of offices under your control to ensure that compensation (casual) leave is granted to such Government servants as and when they apply for it within a calendar year subject to the conditions laid down in Part-III-A of Appendix -I of R.S.R. Volume-II.

4. While forwarding proposals for providing leave reserves the following points should be taken into consideration :-

(i) Categories of Government servants required to attend to their duties compulsorily on weekly holidays and other Gazetted holidays. When they are required to attend only for half the day, this may also be mentioned.

(ii) Number of Government servants in each category who are required to be relieved from duty on holidays or on any day on which they avail compensation casual leave.

(iii) What is the existing system of replacing the Government servants on holidays and whether the system is working satisfactorily.

(iv) Whether providing of leave reserves or increasing existing leave reserves would be the proper solution of the problem, if the system is not working satisfactorily. If so, proper data should be given.

1[1. A question has been raised as to whether a person who is appointed as a 'substitute' in a vacancy caused due to the Government servant being on leave, training, foreign service etc., is entitled to leave including casual leave and other concession e.g. house rent allowance, free medical treatment and attendance (including medical reimbursement) during his tenure of appointment as a 'substitute'.

The matter has been examined and it is clarified that a substitute is entitled to only pay, special pay attached to the post and dearness allowances on such pay and ad-hoc relief according to rules. The concessions of house rent allowance, free medical facilities etc., as admissible to regular Government servants are not admissible to him. Similarly no leave (including casual leave) will be admissible to him except leave without pay which may be sanctioned by the authority competent yp sanction casual leave. Past claims already settled otherwise may not be re-opened.]

2[2. In Finance Department memo dated 15.9.1972 (appearing as Govt. of Rajasthan's instruction No. 1 above) it has been clarified that a substitute is entitled to only pay, special pay

Similarly no leave (including casual leave) will be admissible to them except leave without pay which may be sanctioned by the authority competent to sanction casual leave.

1[III-B. Special Compensation (Casual) leave to R.A.C Personnel]

Special compensation (casual) leave not exceeding 31 days may be granted during the year 1966 to R.A.C personnel released by Pakistan after being prisoners of war.

2[Restricted Holidays

It is observed that a restricted holiday is not exactly covered under Rule 7(12)(b) of Rajasthan Service Rules, as it stands at present, because on a restricted holiday, the office is not closed for transaction of Government business without reserve or qualification. However, as the restricted holidays are akin to other closed holidays, it has been decided that restricted holiday can be prefixed or suffixed to regular leave or casual leave.]

IV. Quarantine Leave

Quarantine leave is leave of absence from duty necessitated by orders not to attend office, in consequence of the presence of infectious disease in the family or household of a Government servant. Such leave may be granted by the Head of the Office on the Certificate of a Medical or Public Health Officer for a period not exceeding 21 days, or in exceptional circumstances 30 days. Any leave necessary for Quarantine purposes in excess of this period shall be treated as ordinary leave. Quarantine leave may also be granted when necessary in continuation of other leave subject to the above maximum. Except in the cases mentioned in the notes below, no substitute should be appointed in place of a Government servant absent on Quarantine Leave. A Government servant on Quarantine Leave is not treated as absent from duty and his pay is not intermitted.

Explanations

3[(1) Quarantine leave is not admissible in the case of a Government servant who himself contracts an infectious disease. He will be granted leave according to leave rules.]

2) The maximum limits of 21 and 30 days prescribed in this Rule refer to each occasion on which leave is applied for and granted.]

VI. Travelling Allowance

__________________________

2 *[1. When a Government servant is transferred otherwise than for the public convenience a copy of the order of transfer should be sent to the Accountant General with an endorsement stating the reason of the transfer. In the absence of such an endorsement the Accountant General shall assume that the Government servant has been transferred for the public convenience.

2. In the case of a non-gazetted Government servant a certificate from the Head of the Office may be accepted in lieu of the copy of the order referred to in Rule 1.

3. The grant of Travelling Allowance under the rules is desirable as far as possible in all cases falling under the Travelling Allowance Rules governing Travelling Allowance of persons attending commission of enquiry, etc. as it avoids correspondence and tends to facility of audit.]

[Note: The rates of contributions payable on account of pension and leave salary during and in respect of foreign service prescribed under Rule 146 and 147 of the Rajasthan Service Rules and laid down in Appendix V of the Rajasthan Service Rules—Volume II on percentage basis are, at present worked out to the nearest paisa. While there is no particular advantage in calculation the pension and leave salary contributions to the nearest paisa, the calculation/recovery of these contributions causes accounting difficulties all round.

It is now decided that with effect from 1.9.1969 their contributions should be rounded off to the nearest rupees, fractions equal to 50 paisa or more being rounded off to the next higher rupee.]

As the revised rate of pension contribution mentioned in the annexure included an element for the grant of extraordinary pension also, the liability for the same will, in future, fall on the State Government.

The revised rates will effect from 1.2.1970 and pension contribution in respect of Government servants in foreign Service on that date will be recovered at the revised rates on the pay admissible to such Government servants for the month of February, 1970 onwards.

Rates of monthly contribution for leave salary on active services shall be at the rate of 11% of the pay drawn on foreign service in respect of all classes of Government servants. [xxx]

The term "active foreign service" includes the period of joining time which may be allowed to an officer both on the occasion of his proceeding to and reverting from foreign service, and accordingly contributions are liable in respect of such periods.

[Length of service means the entire continuous service of the Government servants concerned, including temporary service in a pensionable post.]

In case of a temporary Government servant who is transferred to Foreign Service, Government may decide whether or not to recover pension contributions having regard to the probabilities of the Government servant qualifying for pension. If it is decided to recover such contributions they should be calculated with reference to his length of service in the following manner—

(a) If he is on a time-scale of pay, on the maximum of time-scale, and
(b) If he is on a fixed rate of pay, on that pay.

In such cases the recoveries of contributions for leave salary does not present any difficulty the amounts being calculated on the pay actually drawn in foreign service. Literacy and other allowances which are drawn by Government servants should be taken into account in calculating average emoluments for purposes of leave salary and pension respectively, and should be considered as part of the maximum monthly pay of the grade substantively held.

3. The words "excluding Class IV servants'. Deleted vide F.D. order No. F. 1 (35) FD-A (Rules)/61, dated 7.2.1962.
Government of Rajasthan's Decision

[Under Rule 188-A of Rajasthan Service Rules, half of the continuous temporary service which is followed by confirmation counts for pension, there is a greater possibility of temporary service counting for pension, and it is but reasonable that pension contribution should be recovered in all such cases. It has accordingly been decided that when a temporary Government servant is transferred to foreign service, pension contribution should be recovered as in the case of permanent Government servants. Pension contribution is also to be recovered in respect of quasi-permanent Government servant who is transferred to foreign service.

The question has also been considered whether rate of pension contribution lower than that in respect of permanent Government servant should be prescribed in the case of temporary Government servant on foreign service. Such reduction is considered unnecessary, because the rate of contribution can at least be determined only on a rough basis, and a different basis for temporary personnel would lead to accounting complications.]

Note: It shall be decided at the time of transfer from a State, whether the Leave Rules to which the Government servant concerned was subject while serving under the State Government should be deemed equivalent to the Fundamental Leave Rules or the Revised Leave Rules, 1933. When neither of those rules can be applied appropriately, the two Governments shall settle the issue at the time of transfer in keeping with the principle underlying those rules, as far as possible.

(c) Both in the case of temporary transfers and in the case of permanent transfers, the Government sanctioning 'Leave not due' shall bear the charge on account of such leave, in the first instance, in all cases, but in the event of the Government servant on return from such leave, being transferred to another Government before the 'Leave not due' taken by him is completely earned by duty, such re-adjustment of the Charge shall be made as may be agreed upon by the two Governments concerned.

(iii) Incidence of the cost of Passage: The liability shall be extinguished by the recovery of Passage contributions as provided in section III of Appendix 3 to Account Code, Volume I.

(iv) The procedure set out in (ii) above shall also be followed for the allocation of pension. In other words, in all cases of temporary transfers, pension contributions at rates prescribed by the Lending Governments, shall be recovered from the borrowing Government for the period of deputation, but no contribution shall be payable during any period of leave. The liability of a period of leave. The liability of a borrowing Government to pay contributions to the Lending Governments ceases when a Government servant is permanently transferred to the former but the Lending Government shall remain responsible for the pensionary charges of the Government servant in respect of the service rendered under it, prior to the permanent transfer including the period of service and leave, for which contributions have been recovered. This liability shall be discharged by paying a proportionate pension when it is sanctioned, the allocation being made on the basis of the length of service and the rules laid down in section IV of Appendix 3 to Account Code, Volume I, being followed "mutatis mutandis". If the pensioner is entitled to get his pension commuted, the commutation shall have the effect of absorbing or reducing the share debitable to the different Governments in the order in which these shares rise from the lowest to the largest amount in accordance with rule 32 of section IV of Appendix 3 to Account Code, Volume I.

(v) Incidence of charges of Bonus in respect of Government servants who are employed on bonus terms: The principle given in Section V of Appendix 3 of Account Code Volume I, shall be adopted. In other words, the lending Government shall recover from the borrowing Government such bonus contributions as may be agreed upon between the two Governments.

(vi) Incidence of Government contributions to I.C.S Family Pension Fund: The question shall be decided by mutual agreement in each case as and when it arises.

(vii) Incidence of Government contributions to the I.C.S Non-European Members Fund: The liability shall be settled by current recovery of a contribution to be fixed ad hoc at Rs. 20/- per mensem. Madras Government have not agreed to the arrangement.

(viii) 
(a) Incidence of expenditure involved in Audit and keeping accounts.
(b) Incidence of grants of land and Alienations.
(c) Incidence of the cost of post functions on Railways including the cost of protecting railway bridges.
(d) Incidence of charges on maintenance of demarcation of a dispute over boundaries.
(e) Incidence of Family Pensions in respect of Military and Naval Officers and Civil Officers serving with a Military or Naval Force.
(f) Incidence of Leave Salary and Pension Contribution recovered in respect of Government servants lent on foreign service.

Madras Government have not agreed to this and Punjab and Bihar Governments have not agreed to the arrangements in regard to items (e) & (f).

The relevant rules laid down in Appendix 3 to Account Code, Volume I shall be adopted 'mutatis mutandis'.

The rates of contributions for leave salary and pensionary charges will generally be the same as are applicable to a Central Government servant on foreign service.

Part - I

APPENDIX XV

[Rules made by the Comptroller and Auditor General for Regulating the preparation of Last Pay Certificates in cases of Transfers on duty or of return from leave]

(1) Transfers on duty may be of two kinds:
   (i) A Government servant may proceed on duty from one Province or Circle of audit to another.
   (ii) Government servant may proceed on duty from one place to another in the same Province or Circle of audit.

(2) In the former case the certificate should be given as follows:
   (a) If the Government servant is employed at the station of the Accountant General of his province the certificate should be given by that officer provided that the system of payment after pre-audit is followed in the audit office; otherwise the procedure laid down in clause (b) below should be adopted.
   (b) If he has to pass through that station on his way to his new Province, the certificate should be given by the officer in charge of the Treasury from which he last drew pay and countersigned by the Accountant General.
   (c) If he is not employed at, and has not to pass through, the Accountant General's station, the certificate should be given by the officer in charge of the Treasury and a duplicate of it should be forwarded by the Treasury Officer to the Accountant General for countersignature and transmission to the Accountant General of the transferred Government servant's new Province.

Exception: - As an exception to the preceding rule, the Last Pay Certificate of non-Gazetted Government servants transferred from one Province or Circle of audit to another may be given by the Head of the Office and need not be countersigned by the Accountant General concerned but in the case of transfers out of India, the Last Pay Certificate should be signed by the Accountant General.

(3) In the second case of transfer, the Government servants should obtain a Last Pay Certificate from the officer-in-charge of the Treasury from which he last drew pay, or if he is a non-gazetted Government servant, from the Head of the Office under whom he was last employed.

(4) A Government servant who has drawn his leave salary in India should, before returning to duty, obtain a Last Pay Certificate from the Accountant General by whom, or within whose jurisdiction, his leave salary was last paid.

(5) The Last Pay Certificate shall be prepared in all cases mentioned above in the form shown in the Annexure. This form provides for detail of the fund deductions, although the officer preparing the bills is responsible for their correctness, but the officer preparing the Last Pay Certificate is responsible not only for entering in the certificate all demands against the departing Government servant, including any made under an order of attachment of his pay by a Court of Law of which he may have received notice before granting the certificate, but also for passing on any of which he may afterwards receive notice to the treasury or the disbursing office from which the Government servant will in future draw pay.

(6) In all cases of transfers from one district to another within the same audit circle, the Last Pay Certificate should specify the last regular or monthly payment; and the entire pay for the month in which transfer has been made should be paid in the new district except where the Treasury or the Financial Rules of a Government provide to the contrary.

(7) In the case of the pay bill of a Government servant of whatever rank required to accompany the headquarters of Government to a hill station or other station which has been declared to be the headquarters of Government for the time being, the signature or countersignature of Gazetted Government servant on the bill may be treated as a Last Pay Certificate for the purpose of these rules.

APPENDIX XVI
Rates of Dearness Allowance and Rules for the drawal of Dearness Allowance

Rates of Allowances and applicability.—(1) In supersession of all existing orders regulating the grant of dearness allowance, special grain allowance, etc., it is ordered that the following rates of dearness allowance shall be applicable with effect from the 1st April 1950, to all Government servants within the rule making power of the Rajasthan Government:

<table>
<thead>
<tr>
<th>Pay</th>
<th>Rates of dearness allowance</th>
</tr>
</thead>
<tbody>
<tr>
<td>Upto Rs. 39/- per month</td>
<td>Rs. 12/- per month</td>
</tr>
<tr>
<td>Rs. 40/- to Rs. 99/- per month</td>
<td>Rs. 15/- per month</td>
</tr>
<tr>
<td>Rs. 100/- to Rs. 199/- per month</td>
<td>Rs. 20/- per month</td>
</tr>
<tr>
<td>Rs. 200/- to Rs. 499/- per month</td>
<td>Rs. 25/- per month</td>
</tr>
<tr>
<td>Rs. 500/- to Rs. 699/- per month</td>
<td>Rs. 30/- per month</td>
</tr>
<tr>
<td>Rs. 700/- to Rs. 1,000/- per month</td>
<td>Rs. 40/- per month</td>
</tr>
</tbody>
</table>

Government servants in receipt of a pay in excess of Rs. 1,000/- shall draw such amount as dearness allowance as together with their pay will make upto Rs. 1,040/-.

NOTE
Pay shall include special pay, personal pay and in the case of constables and head constables literacy allowance.

Clarification.

2[A question has been raised as to whether an amount of special pay payable to a Government servant which is not charged to the Budget Head to which his pay is charged should be included in pay and compensatory allowance e.g., dearness allowance, house rent allowance should be allowed on such pay which may include such special pay.

The matter has been examined and it is clarified that such special pay which is debitable to budget head other than the relevant head to which pay of the Government servant is charged, may be included in pay and compensatory allowances e.g., dearness allowance house rent allowance be allowed on such pay and charged to the budget head to which the basic pay is charged.

3[2. Attention is invited to Finance Department Memo dated 23-11-1967. (Appearing as Clarification No. 2 above) under which it has been clarified that special pay which is debitable to budget head other than the relevant head to which pay of the Government servant is charged may be included in pay and compensatory allowance e.g. dearness allowance house rent allowance be allowed on such pay and charged to the budget head to which the basic pay is charged.

To obviate all confusions in the accounting procedure it is decided that all drawing and disbursing officers will record a note in such claims to the effect that Compensatory allowance e.g., dearness allowance has been charged after taking into account the special pay classified under a different head, (complete head of account with full particulars, such as the Bill number and date of presentation of the claim at the treasury or the voucher number and date of payment in case the special pay has already been drawn, is to be mentioned).]

1. Inserted by G.A.D. Order No. 10 (35) GA/50 dated 12-7-1950.
(2) To whom not applicable.—This order will not apply to Government servants—

- serving on contract,
- whose services have been borrowed from another Government,
- who are part-time employees or paid from contingencies,
- such classes of staff in the Land Revenue or other departments as may be notified,
- Industrial employees (that is to say, employees other than administrative, executive, ministerial and Class IV services) in Government Presses, Water and Electricity undertakings and P. W. D. Workshops.

**Government of Rajasthan’s Decision.**

1. **Admissibility of Unit Dearness Allowance.**—A doubt having arisen regarding the scope of para 2 of Finance Deptt. Order No. F. 8 (17)-R/55, dated 6-9-1956 regarding drawal of dearness allowance at old Unit scale by pre-covenant employees opting in favour of Unit rate of pay it has been decided that only those Government servants who have retained unit pay in preference to the Unified Scales of pay finally under Rule 4 of Rajasthan Civil Services (Unification of Pay Scales) Rules and Schedules, 1950 are entitled to draw dearness allowance at old Unit scale in terms of the above order. It is not the intention of the above order that this benefit may also be allowed to Government servants who have opted the Unified Pay Scales from a date later than 1-4-1950.

2. **Revised rates and their applicability.**—(1) Instead of the rates of dearness allowances sanctioned in Government order No. I, it is ordered that with effect from 1st January 1951, the following rates of dearness allowance shall be applicable to all Government servants under the rule making power of the Rajasthan Government:

<table>
<thead>
<tr>
<th>Pay</th>
<th>Rates of dearness allowance</th>
</tr>
</thead>
<tbody>
<tr>
<td>Less than Rs. 40/- per month</td>
<td>Rs 15/- per month</td>
</tr>
<tr>
<td>Rs. 40/- and above but less than Rs. 60/- per month</td>
<td>Rs 20/- per month</td>
</tr>
<tr>
<td>Rs. 60/- and above, but less than Rs. 100/- per month</td>
<td>Rs 25/- per month</td>
</tr>
<tr>
<td>Rs. 100/- and above, but less than Rs. 200/- per month</td>
<td>Rs 30/- per month</td>
</tr>
<tr>
<td>Rs. 200/- and above, but less than Rs. 500/- per month</td>
<td>Rs 35/- per month</td>
</tr>
<tr>
<td>Rs. 500/- and above, but less than Rs. 700/- per month</td>
<td>Rs 40/- per month</td>
</tr>
<tr>
<td>Rs. 700/- to Rs. 1,000/- per month.</td>
<td>Rs 50/- per month</td>
</tr>
</tbody>
</table>

Government servants in receipt of a pay in excess of Rs. 1,000/- shall draw such amount as dearness allowance, as together with their pay will make up to Rs. 1,050/-

(2) To whom not applicable. —This order will not apply to Government servants :-

- a) serving on contract,
- b) whose services have been borrowed from another Government,
- c) who are part-time employees or paid from contingencies,
- d) such classes of staff in the Land Revenue or other departments as may be notified,
- e) Industrial employees (that is to say, employees other than administrative, executive, ministerial and Class IV services) in Government Presses, Water and Electricity undertakings and P. W. D. workshops.

Emoluments for the purpose of this Order shall mean pay (as defined in Rules 7 (24) of the Rajasthan Service Rules) plus Dearness allowance including dearness pay. The ad hoc increase sanctioned above will not be admissible to persons in receipt of protected Dearness pay under Rule 14 of Rajasthan Services (Protection of Service Conditions) Rules, 1957.

</tbody>
</table>

The revised rates shall take effect from the 1st September, 1961 in supersession of the rates prescribed in the Orders G.A.D. No. F. 10 (35) GA/50 dated 12-7-1950, Finance Department Nos. F. 7 (1) R/51, dated 11-1-1951, F. 1 (182) A/R/56 dated 20-3-1957, 2-10-1958, F. 1 (c) (2) FD/A 59, dated 27-4-1960 and F. 1 (c) (12) FD/A/60, dated 18-10-1160 and will be applicable to Government servants who elect or are brought on to the revised scale of pay scale of pay under the Rajasthan Civil Services (Revised Pay) Rules, 1961. No portion of the revised rates of dearness allowance will be treated as pay for any purpose.

Government servants who elect to retain the existing scales of pay under the Rajasthan Civil Services (Revised Pay) Rules 1961 will, however, continue to be eligible to draw dearness allowance at the rates in force on the 31st August, 1961, so long as they continue to draw pay in the existing scales. In the case of Government servants, who are allowed to draw dearness allowance at the old rates, the provisions of Finance Department Order No. 4641/58/F. 7 A (14) FD/A/R/58 dated 2-3-1959 as amended from time to time treating a portion of dearness allowance as pay for certain purposes will continue to apply.

The grant of dearness allowance, whether it is drawn at the new rates mentioned in paragraph 1 above, or at the rates in force on 31st August, 1961 will continue to be regulated in accordance with the rules for the drawal of dearness allowance given in Appendix XVI of the Rajasthan Service Rules, Volume II as amended or clarified from time to time except that:

5. Some doubts have been raised regarding the scope of conditions prescribed in para 2 of Finance Department Order No. F. 1(182) FD (A) Rules/56, dated 2-10-1958. The matter has been examined and it is clarified that the rates of dearness allowance applicable to Central Government employees on 31-10-1956 should only be taken into account for the purpose of para 2 of the aforesaid order and not any subsequent increase in dearness allowance sanctioned by Government of India on or after 1-11-1956.

In view of the above clarification, persons who on or after 1-10-1958 drew Dearness Pay in accordance with the Rajasthan Services (Protection of Service Conditions) Rules, 1957 at the same rate as was admissible on 1-11-1956 will not be entitled to the *ad hoc* increase of Rs 5/- in Dearness Allowance sanctioned by the aforesaid order.

6. Vide para 3 of the Finance Department Order No. F. 1 (C) (12)FD(A) Rules/60 dated 18-10-1960 the *ad hoc* increase in dearness allowance sanctioned under the aforesaid order was not admissible to employees in receipt of protected Dearness Pay under Rule 14 of the Rajasthan Civil Service (Protection of Service Conditions) Rules, 1957.

On reconsideration of the matter, it has been ordered that although these employees were, with effect from 1-4-1958, benefited by the grant of higher amount of Dearness Allowance (excluding Dearness Pay) than other employees in accordance with paragraph 12 (vi) of Finance Department Order No. 4641/58/F. 7 A (14) FD (A) Rules/58 dated 2-3-1959 in addition to protected Dearness Pay, they may, as a special case, be allowed the *ad hoc* increase of Rs. 5/- in Dearness Allowance with effect from 1-7-1960 subject to conditions laid down in Finance Department Order No. F. 1 (C) (12) FD (A) Rules/60, dated 18-10-1960. Accordingly para 3 of the Government Order, dated 18-10-1960 referred to above may be treated as cancelled.

7. Attention is invited to Finance Department Order No. F. 1 (182)A-Rules/56, dated 20.3.1957. A question has been raised whether ad hoc increase in dearness allowance sanctioned under the aforesaid order is also admissible to employees of the former Ajmer State drawing pay in the Ajmer Scales of pay. It is clarified that the ad hoc increase is admissible to employees of the former Ajmer State, subject to conditions laid down in the above mentioned order.

8. A question has been raised as to how the provisions of Finance Department, Order No. F. 1 (182) (A) Rules/56, dated the 20th March, 1957 read with Memo No. F. 1 (C) (7) F. D. (A) Rules/60, dated the 7th February, 1962 should be implemented for grant of *ad hoc* increase in dearness allowance to employees of former Ajmer State drawing pay in Ajmer Scales of pay and in receipt of Dearness Pay under Rule 14 of the Rajasthan Service (Protection of Service Conditions) Rules, 1957.

It is clarified that *ad hoc* increase would be admissible only to such employees whose emoluments (i.e. pay plus protected dearness pay plus dearness allowance at Rajasthan rates), do not exceed Rs. 100/- P.M.

The last sentence of Finance Department Order, dated the 20th March, 1957 referred to above may be deemed to have been superseded.

1. A question has been raised as to how payment of Additional Dearness Allowance would be regulated in case of Government servants who are on leave or under suspension. The matter has been examined and it is clarified that Additional Dearness Allowance may be allowed in such cases as indicated below:—

1. When leave is sanctioned on average substantive pay.—At the same rate at which it would have been drawn but for proceeding on leave.
2. When leave is sanctioned on half pay.—Half of the amount of Additional Dearness Allowance which would have been drawn but for proceeding on leave.
3. When under suspension.—At the rate at which subsistence allowance is fixed in relation to pay. For example if subsistence allowance is fixed at 50% or 75% of the pay additional dearness allowance should be allowed 50% or 75% as the case may be of the amount of Additional Dearness Allowance which would have been drawn but for suspension.

2. According to para 3 of Finance Department Order No. F. 1 (60) FD (Gr. 2)/73, dated 14.6.1974 the arrears of Additional Dearness Allowance accruing upto 28.2.1974 are payable in respect of Government servants who retire or died before 1-4-1976, on the date they cease to be in Government servant provided the procedure laid down in the aforesaid order for payment of the arrears is followed.

A case has come to the notice of this department in which a Government servant has retired and by that time the arrears of Additional Dearness Allowance were not credited to the Head of Account mentioned in paragraph I of the Order. The matter has been examined and the Governor has been pleased to order that in cases where payment of arrears of Additional Dearness Allowance has become due under paragraph 3 of the aforesaid order and the arrears till then they have not been credited to the relevant head, the payment may be made straightway without following the procedure laid down in the said order. No interest shall however, be payable on such payments.

2. Added vide F.D. Order No. F. 1(60) FD (Gr. 2)/73, dated 11-1-1975.
Doubts have been raised regarding the implications of the term 'but for proceeding on leave/but for suspension' used in Finance Department Order No. F.I (60) FD (Rules)/73 dated 9.9.1974. It is, therefore, clarified that in the case of Government servants, who are on leave or under suspension, the payment of additional dearness allowance may be allowed as indicated below:

(i) When leave is sanctioned on average substantive pay: 'Pay' for purpose of calculation of additional dearness allowance during the leave period will be the same as was taken into account for this purpose while on duty immediately before proceeding on leave. The amount of additional dearness allowance shall be calculated on the aforesaid pay at the rate(s) in force during the period of leave.

(ii) When leave is sanctioned on half pay: Half of the amount of additional dearness allowance calculated in accordance with (i) above.

(iii) When under suspension: In the same proportion in which subsistence allowance is fixed in relation to pay. For example if subsistence allowance is fixed at 50% or 75% of pay, the additional dearness allowance should be allowed 50%, or 75%, as the case may be, of the amount of additional dearness allowance calculated at the rate(s) in force during the period of suspension on pay which was taken into account for this purpose while on duty immediately before being placed under suspension.

This department Memo No. F.I (60) FD (Gr. 2)/73, dated 13.2.1975 is hereby cancelled.

1. Added vide F. D. Memo. No. F. 1 (60) FD (Gr. 2)/73, dated 1-3-1975, cancelling the following memo: —

"[Doubts have been raised regarding the exist scope of Finance Department Order No. F. 1 (60) FD (Rules)/73, dated 9-9-1974. It is further clarified that in the case of Government servants who are on leave or under suspension the payment of additional dearness allowance may be allowed as indicated below.

(1) When leave is sanctioned on average/substantive pay: The same amount of additional dearness allowance which was drawn immediately before proceeding on leave.

(2) When leave is sanctioned on half pay: Half of the amount of additional dearness allowance which was drawn immediately before proceeding on leave.

(3) When under suspension: At the rate at which subsistence allowance is fixed in relation to pay. For example if subsistence allowance is fixed at 50% or 75% of the pay the additional dearness allowance should be allowed 50% or 75% as the case may be of the amount of additional dearness allowance drawn immediately before suspension.

Past claims already settled otherwise may be re-opened and decided under these orders.]

The undersigned is directed to refer Finance Department Order of even number dated 17.3.1983 and 10.5.1983 in which subscription towards General Provident Fund is required to be made from the salary of Government servants. (vi) **Dearness Allowance on broken periods of a month.**—Since the eligibility for the Dearness Allowance is dependent on pay as defined in sub-para (i) above and not on the amount of pay actually drawn during any particular period of a month, the allowance in respect of broken periods of a month, or periods in a month during which different rates of pay are drawn, shall be the amount calculated for the number of days of duty at the different monthly rates of pay allowed during the month.

(vii) **Dearness Allowance to re-employed pensioners.**—Retired Government servants who have been or may be re-employed and who are allowed to draw their pension in addition to pay will be eligible to draw the allowance if their pay plus pension does not exceed the monetary limit prescribed. In such cases the allowance will be calculated as follows:

(a) In the case of officers whose pay plus pension exceeds the sanctioned maximum pay of the post, the allowance will be calculated on that maximum.

(b) In other cases the allowance will be calculated on the pay plus pension.

(c) In the case of officers on leave the allowance will be calculated on leave salary alone (excluding pension), provided that payment of the Dearness Allowance in cases covered by clause (a) and (b) above will be restricted to the amount derived after deducting the amount of relief which the Government may have sanctioned to its pensioners from the amount of Dearness Allowance calculated.

(viii) **Dearness Allowance to those who are in receipt of any emoluments from any other Government in addition to pay.**—Government servants in receipt of any emoluments of the nature of pay, leave salary or pension from any other Government in addition to pay from Government will, subject to the total emoluments not exceeding the limit prescribed for eligibility for Dearness Allowance, draw the allowance on the basis of their pay from Government.

Government have also been pleased to order that the change in the rate of dearness allowance admissible to a Government servant necessitated by the issue of this amendment will not apply retrospectively and will have effect only from January 1, 1953.

**Government of Rajasthan’s Decisions.**

1. **Dearness Allowance to Government Advocates, Public Prosecutors, etc.**—It seems there is some doubt on the question of Dearness Allowance to Government Advocates, Public Prosecutors, etc. The position in this regard is very clear. In accordance with note 2 (c) below the orders relating to Dearness Allowance to Government servants applicable from 1-4-1950 (which were in supersession of all previous orders on the subject) Dearness Allowance is not admissible to part-time employees. As the Government Advocates, Deputy and Assistant Government Advocates. Public Prosecutors. Assistant Public Prosecutors, etc. are in the part-time employ they are not entitled to Dearness Allowance.

2. **Dearness Allowance to industrial employees of Government Presses.**—The unified rates of Dearness Allowance sanctioned for Government servants of Civil Departments are also applicable to whole-time industrial employees of Government Presses (other than those paid from contingencies) for whom unified scales of pay have been announced under the Rajasthan Civil Services (Unification of Pay Scales) Rules.

2 Inserted by F.D. No. F. 7 (2)/R/52, dated 3-3-1952.
It has been brought to the notice of Government that Dearness Allowance at the rates in force prior to 1-4-1950 is still being drawn by some Government servants, wherever these are advantageous to them as compared to the rates admissible under Finance Department Order No. 2.

This must stop forthwith, and Heads of Departments and Offices should ensure that Dearness Allowance otherwise than in accordance with the order dated 11-1-1951 is not drawn by Government servant. It should be remembered that Drawing Officers are personally responsible for over-drawals of this kind.

Dearness Allowance to work-charged establishment.—Government have had under consideration the question regarding Dearness Allowance which should be paid to work-charged establishment in the P. W. D. The matter has been examined and it has been held that in the case of appointments to posts corresponding to posts for which time-scale has been prescribed in the Schedule to the Unification of Pay Scales Rules, such appointments should be at an appropriate stage in these scales. When this is done Dearness Allowance should also be paid in accordance with rates prescribed for corresponding Civil Services under Government Order No. 2. Where pay in the case of such appointments is already on a consolidated basis, pay in the scale will be refixed after eliminating the element of Dearness Allowance and allowance will be allotted separately as indicated above.

In the case of other appointments, the pay of the work charged staff should be fixed on a consolidated basis and no Dearness Allowance would be payable in addition to such consolidated rates.

The undersigned is directed to say that the Government sanctioned Interim Relief to Government servants vide Finance Department Order No. F. 1 (26) FD (Gr. 2)/81-I dated 29-5-1981 pending receipt of the report of the Pay Commission. One of the conditions for grant of Interim Relief was that the amount of Interim Relief would be adjusted against the increase in emoluments that may become payable as a result of decision taken by the Government on the report of the Pay Commission. Subsequently an agreement was entered into between the Government and Employees Association which inter-alia provided that the amount of Interim Relief paid to Government servants with effect from 1.6.1981 under the orders referred to above, shall be adjusted against the benefits payable to Government servants upto 31.3.1982 as a result of revision of pay scales, allowances etc. If in any case the amount of Interim Relief paid to an employee during the period from 1.6.1983 to the date of Notification promulgating the Rajasthan Civil Services (Revised Pay Scales) Rules, 1983, is not completely adjusted against the benefits payable to him for the period from 1.9.1981 to 31.3.1982, the balance amount due to Government will be adjusted against the benefits payable to Government servants with effect from 1.4.1982

and onwards or against any increase in emoluments whether by way of grant of installments of Dearness Allowance or annual increment or any other increase in emoluments whatsoever.

(ii) In case where the entire amount of Interim Relief paid from 1.6.1981 up to the date of promulgation of Rajasthan Civil Services (Revised Pay Scales) Rules 1983 is adjusted against the benefits payable to Government servants up to 31-3-1982, the balance amount, if any, payable to Government servants after adjustment of Interim Relief shall be impounded for three years and credited to the General Provident Fund Account of the Government servant and no withdrawal shall be permitted out of the impounded amount before the expiry of the period of three years from the first of the month following the date of promulgation of Rajasthan Civil Services (Revised Pay Scales) Rules, 1983.

2. The Interim Relief shall not be payable to Government servants from 1st March, 1983 i.e. from pay bill for March, 1983 payable on or after 1st April, 1983. The Finance Department Order No. F. 1 (26) FD (Gr. 2)/ 81-I dated 29th May, 1981 will stand revoked with effect from 1.3.1983.

It is being enjoined upon Drawing and Disbursing Officers that they should ensure that the entire amount of Interim Relief paid to Government servants before 1.3.1983 is correctly calculated and invariably adjusted against the arrears of pay and allowances payable to Government servants. With a view to ensure the compliance of the above instructions every Drawing and Disbursing Officer shall record a certificate on the pay bills presented to the Treasury Officer for claiming payment of arrears of pay and allowances as a result of revision of pay scales and allowances under Rajasthan Civil Services (Revised Pay Scales) Rules, 1983 in the following form:—

[The question of simplification of procedure for disbursement of pay and allowances of Gazetted Government servants on promotion/transfer and leave has been examined and the following decisions have been reached :-

General

(a) When an officer is initially appointed to Government service or when he is transferred/granted leave/returns to duty after leave etc., a copy of the order of appointment/transfer/level resumption of duties should be endorsed simultaneously to the Accountant General by the competent authority. Charge report should be sent by the officer concerned to the Accountant General, Rajasthan direct and a copy of the report should be endorsed to the Treasury Officer and Head of Department or the controlling authority concerned.

(b) Initial appointment: In case of initial appointment, the orders of appointment specifying the terms of appointment should be sent to the Accountant General, Rajasthan, on receipt of the order of appointment and charge report, the Accountant General, Rajasthan, Jaipur will issue a pay slip.

(c) Issue of pay slip in cases in which sanction to the post is not available: The Accountant General, Rajasthan, will issue provisional pay slip, at the request of the Head of the Department, in cases in which sanction to the temporary post is not available. The provisional payment will be authorised for a period of 3 months in the first instance and may be extended upto three months at the further request of the Head of the Department though occasions to extend provisional payment beyond 3 months should be very rare. When sanction for the post is not available, it will be the responsibility of the Head of the Department to ensure that it is issued quickly with retrospective effect to cover the period of provisional payment.

[While requesting the Accountant General for the issue of the provisional pay slip in such cases the Head of the Department will send the following certificate.

"Certified that the post of ..................................................... (Designation) was sanctioned by the Government vide No. .................... Dated ................. for the period of.............. and the Government have been requested for the continuance of this post upto ................. and I have reason to believe that the Government sanction extending the terms of the post will be received."

(d) **Issue of pay slip in cases in which L. P. C. is not available:** It is incumbent upon the officer concerned to obtain L. P. C. before proceeding on transfer, as required under rule. The Accountant General, Rajasthan will, however, issue provisional pay slip, in cases in which last pay certificate is not available at the request of the officer concerned. The provisional payment will be authorised for a period of 3 months in the first instance and may be extended up to six months at the further request of officer though occasions to extend provisional payment beyond 3 months should be very rare. In the absence of L. P. C., the officer concerned should furnish to the Accountant General a certificate about the pay and allowances, advances if any, drawn in the previous post and deduction on account of General Provident Fund, Income Tax, Super Tax, refund of advances etc. The Officer would be personally responsible for the correctness of the information which should be furnished by him to the Accountant General in the form prescribed in the Annexure.

(e) **Issue of pay slip on Appointment to a post which is higher than the previous post:** The Accountant General, Rajasthan will, in the case of appointment to a post which is higher than the previous post, authorise provisional pay at the rate equal to the last pay drawn in the lower post from which the officer has been promoted or the minimum of the scale of the new post plus special pay if any attached thereto whichever is more advantageous to the officer.

(f) **Drawal of duty pay on return from leave in the absence of fresh authority from the Accountant General:** If the officer concerned returns and is appointed to the same post from which he proceeded on leave, the pay slip issued for duty pay (before proceeding on leave) will be treated as valid for duty after the leave unless superseded and his pay bills should be passed by the Treasury Officer on receipt of charge report on resumption of duty.

If the leave has been extended but the leave order leave salary slip has not been issued, the Head of the Office may endorse the charge report to the Treasury Officer in such cases specifying therein that the officer has re-joined duty in the same post after leave and that there has been no break in his service. The Treasury Officer will then allow drawal of duty pay the date of resumption of charge on the basis of pay slip issued to the officer for his duty period prior to his leave.

(g) **Provisional sanction to leave by competent authorities without waiting for report of admissibility of leave from Accountant General:** In case of privilege leave the administrative authorities may calculate the amount of privilege leave admissible to the officer and issue provisional sanction without waiting for the admissibility report from the Audit. Such sanctions will be subject to verification by Audit. The Accountant General, Rajasthan on receipt of sanction will issue leave salary slip in respect of privilege leave due and for the rest of the period, if any request the administrative authorities to modify the sanction, if necessary. In either case i.e. where privilege leave sanctioned by the administrative authority is found to be admissible or where privilege leave sanctioned by the administrative authority is not found to be completely admissible and a modified sanction for the period for which the officer is not eligible for privilege leave is necessary, the Accountant General, Rajasthan shall report on the title to leave of the officer immediately on receipt of the provisional sanction, besides issuing the leave salary slip as stated above.

(h) **Allowance to be paid with provisional payment of pay:** Allowances like dearness allowance other compensatory allowances etc. may be authorised on the basis of the pay previously drawn.

2 The words "less than" substituted for the words "not exceeding" vide F.D. Order No. 2518/59 F 7 A (14) FDA (Rules)/58, dated 4-5-1959, This will take effect from 1-4-1958.

equal to such emoluments and the ultimate average emoluments under Rule 251 *ibid* shall be
determined on the above basis.

1(ii) In the case of class IV servants the Dearness pay shall also count for pension

concerned may be granted the former.

NOTE

2[A person who has to make a choice under para 4 above, may choose either (i)
pension and gratuity without the dearness pay benefit plus temporary increase, or (ii) the

not permissible under this para to choose gratuity on the basis of emoluments including
dearness pay and pension with the temporary increase but without the dearness pay
benefits.]

Government of Rajasthan’s Decisions.

3[1. A doubt has arisen as to under what rules and to what extent dearness pay will
count towards emoluments for pension in case of Government servants who retire on or after
1-11-1956 the date of Re-organisation of States, and who while in terms of Rule 11 of the
Rajasthan Services (Protection of service conditions) Rules, 1957, opt pension rules of the unit
(i.e. the rules applicable to them immediately before the appointed day) or pension rules
contained in the Rajasthan Service Rules.

The matter has been considered and it has been decided that in the cases of the type
referred to above the dearness pay will count towards "emoluments" for purposes of pension
to the extent it counted or counts under the unit or Rajasthan Pension Rules opted by the
Government servant, provided the amount which may count shall not, however, exceed the
amount of dearness pay actually drawn, with the unit or Rajasthan Pay Scales opted by him.]

4[2. In accordance with rule 4 (b) the pension calculated under the normal rules, without
taking into account the Dearness Pay plus Temporary Increase in pension or the benefits provided
in Rule 4(a), whichever is more favorable is granted to the Government servant concerned. The
Accountant General, Rajasthan has brought to the notice of Government that Government
servant who made request for the revision of their pension claims after the pension is actually
sanctioned in terms of the aforesaid rule.

The matter has been considered and it has ordered that option for one of the
alternatives referred to in rule 4 (b) shall be exercised by the Government servant in writing
and shall be appended to his application for pension. The option once exercised would be final.

1[Merger of 50% Dearness Allowance/Dearness Relief with basic pay/ basic pension to State Government Employees/Pensioners w.e.f. 1.7.2004.

It has been decided by the Government that w.e.f. 1.7.2004, DA equal to 50% of the existing basic pay shall be merged with the basic pay and shown distinctly as Dearness Pay which will be counted for HRA, CCA, retirement benefits. However, TA/DA on tour/transfer and government accommodation shall continue to be governed on the basis of basic pay alone. Compulsory deductions for GPF and State Insurance shall also be made on the basis of basic pay alone.

2. DA on Dearness Pay will be paid only in respect of DA installments that become due on 1.7.2004 and afterwards. The existing amount of DA over and above 50% i.e. 11% will be calculated only on the basis of basic pay and shall not be calculated on the basis of Basic Pay + Dearness Pay. Further increases in DA (beyond 61%) will be calculated on the basis of Basic Pay + Dearness Pay. For example, if 63% DA is payable from 1.7.2004, 50% will be converted to dearness pay, 11% will be calculated on the basis of Basic Pay alone and 2% will be calculated on the basis of Basic Pay + Dearness Pay. Similarly, if 65% DA is payable on 1.1.2005, 50% will be converted to dearness pay, 11% will be calculated on the basis of Basic Pay alone and 4% will be calculated on the basis of Basic Pay + Dearness Pay and so on.

3. Similarly, in case of existing pensioners, 50% dearness relief will be converted to dearness pension. The amount of existing dearness relief over and above 50% will be calculated only against basic pension and shall not be calculated against basic pension + dearness pension. Any increase in the existing dearness relief beyond 61% shall be calculated against basic pension + dearness pension, on the lines indicated at para 2.]

1 Deleted vide Order No.F.2(b)(9)FD(Rules)73, dated 12.09.2008, w.e.f. 01.09.2008
1[APPENDIX XXXII]

In exercise of the powers conferred by the proviso to Article 309 of the Constitution of India, the Governor hereby makes the following rules, namely:—

The Rajasthan Civil Services (Medical Examination) Rules 1962.

1. (1) These rules may be called the Rajasthan Civil Services (Medical Examination) Rules, 1962, and shall come into force at once.

(2) These rules shall apply to every person who is a member of civil service of the State of Rajasthan or who holds a civil post under the State of Rajasthan.

2. (1) Where the competent authority has reason to believe that a Government servant to whom these rules apply is suffering from:

- (a) a contagious disease, or
- (b) a physical or mental disability.

which in its opinion interferes with the efficient discharge of his duties, that authority may direct the Government servant to undergo a Medical Examination within such period not exceeding one month as may be specified by it and may, if it considers it essential to do so, also direct the Government servant to proceed on leave forthwith pending examination. Such leave shall not be debited to the leave account of the Government servant, if the examining medical authority subsequently expresses the opinion that it was the Government servant to have been required to proceed on leave.

(2) On the basis of the opinion expressed by the examining medical authority and subject to the provisions of sub-rule (3), the competent authority may require the Government servant either to proceed on leave or if he is already on leave, to continue to remain on leave or may retire him from service.

(3) The procedure for medical examination, grant of leave and retirement from service under this rule shall be such as the Governor may by order prescribe.

(4) For the purpose of this rule 'competent authority' in relation to a Government servant means the authority competent to make substantive appointment of the Government servant.

(5) Non-compliance with a direction given under sub-rule (1) or sub-rule (2) of this rule shall be considered a good and sufficient reason for the imposition of a penalty in accordance with the rules governing discipline applicable to the Government servant concerned.

3. A Government servant who is retired from service under sub-rule (2) of rule 2 may be granted such invalid pension, or gratuity or provident fund benefits as may be admissible to him under the rules applicable to him on the date of such retirement.

4. If any question arises relating to the interpretation of these rules, it shall be referred to the Government whose decision thereon shall be final.

2[Government of Rajasthan’s Decision]

1. For the purposes of rule 2 of the Rajasthan Civil Services (Medical Examination)
Rules, 1962 (hereinafter referred to as the said Rules) the examining medical authority shall be:—

(a) A Medical Board, in the case of Gazetted Officer;
(b) A Principal Medical Officer or District Medical and Health Officer or a Medical Officer of equivalent status, in other cases.

2. (1) The authority directing the Government servant to undergo medical examination under sub-rule (1) of rule 2 of the said Rules shall communicate to the examining medical authority all such details concerning the medical history of the case as might be available in his official records of the case and shall include a directive that the standards of physical fitness to be adopted should make due allowance for the age and length of service of the Government servant concerned. The Medical officer shall also be supplied with a statement of what appears from the official records to be the applicant's age.

(2) The authority directing the Government servant to proceed on leave pending medical examination under sub-rule (1) of the rule 2 of the said rules shall also intimate the fact to the examining medical authority and require it to express an opinion on the necessity for the Government servant to have been required to proceed on leave.

3. (1) If the examining medical authority finds the Government servant to be in a bad state of health and considers that a period of absence from duty is necessary in his case for the recovery of his health it may recommend the grant of leave to him for that period.

(2) If that authority considers that there is no reasonable prospect of the Government servant recovering his health and becoming fit to resume his duties, it shall record the opinion that the Government servant is permanently incapacitated for service and also give detailed reasons for that opinion.

(3) In either case the examining medical authority shall communicate its findings to the authority which directed the Government servant to undergo the medical examination.

4. (1) A Government servant in whose case the grant of leave is recommended by the examining medical authority shall be required to proceed on leave, or, if he is already on leave, to continue to remain on leave. by the authority competent to grant him leave as soon as the findings of the medical authority become available.

(2) The leave granted under sub-rule (1) or sub-rule (2) of rule 2 of the said rules shall be of such nature and for such period as would be admissible to the Government servant under the rules applicable to him if he had applied for leave on medical certificate provided that period of leave shall not extend beyond the date of expiry of the period recommended by the medical authority.

5. (1) A Government servant declared by the examining medical authority to be permanently incapacitated for further services shall be retired from service, but before the Government servant is actually retired from service, the authority which directed to undergo the medical examination shall inform him in writing of the action proposed to be taken in regard to him indicating briefly the grounds on which such action is proposed to be taken.

(2) The Government servant also shall be informed that—
(a) Subject to the provisions of Rule 81 of the Rajasthan Service Rules, his retirement will have effect on the expiry of a period of one month from the date of communication unless he desires to retire or quit service from an earlier date;
(b) He may submit, if he so desires, within the period of one month, request to be examined by Medical Review Board supported by prima facie evidence that
good grounds exist for doing so: and
(c) if he prefers a request for examination by a Medical Review Board, he shall be liable to pay the fees prescribed under paragraph 7.

(3) For the period from the date of the communication up to the date of retirement the Government servant shall be granted leave under the rules applicable to his post or service as if he had applied for leave on medical certificate.

6. On receipt of an application for review, the competent authority shall take steps towards constitution of a special Review Board in consultation with the Director of Medical & Health Services. If the Review Board confirms the opinion of the examining medical authority, the retirement of the Government servant shall, subject to the provisions of Rule 81 of the Rajasthan Service Rules be effective from the date on which the decision is communicated to the Government servant. If, on the other hand, the Review Board recommends grant of leave to the Government servant, action shall be taken as provided in paragraph 4.

7. The entire expenditure incurred in assembling the Review Board shall be borne by the Government provided that the Government servant shall be required to pay a fee of Rs. 16/- which shall be refunded if the Government servant is not retired as recommended by the examining medical authority.

Providing Legal financial assistance to a Government Servant for conduct of Legal Proceedings by or against him.

The matter regarding providing legal and financial assistance to a Government servant for conduct of legal proceedings by or against him, has been under consideration for some time past and it has been decided that the nature and extent of legal and financial assistance to be provided to the Government servant shall be as given below:

1. Proceedings initiated by Government in respect of matters connected with the official duties or position of the Government servants- Government will not give any assistance to a Government servant for his defence in any proceedings, Civil or Criminal instituted against him by the State in respect of matters arising out of or connected with his official duties or his official position. Should, however, the proceedings conclude in favour of the Government servant. Government will entertain his claim for reimbursement of cost incurred by him for his defence, and if Government are satisfied the facts and circumstances of the case that the Government servant was subjected to the strain of the proceedings without proper justification, they will consider whether the whole or any reasonable proportion of the expenses incurred by the Government servant for his defence should be reimbursed to him.

2. Proceedings in respect of matters not connected with official duties or position of the Government servant-Govt. will not give any assistance to a Government servant or reimburse the expenditure incurred by him in the conduct or proceedings in respect of matters not arising out of, or connected with, his official duties or his official position, irrespective of whether the proceedings were instituted by a private party against the Govt. servant or vice versa.

3. Proceedings instituted by a private party against a Government servant in respect of matters connected with his official duties or position.

(a) If the Government on consideration of the facts and circumstances of the case consider that it will be in the public interest that Government should themselves undertake the defence of the Government servant in such proceedings and if the Government servant agrees to such a course the Government servant should be required to make a statement in writing as in Annexure "A" and thereafter Government should make arrangements for the conduct of the proceedings as if the proceedings had been instituted against Government.

(b) If the Government servant proposed to conduct his defence in such proceedings himself, the question of reimbursement of reasonable costs incurred by him for his defence may be considered in case the proceedings conclude in his favour. In determining the amount or cost to be so reimbursed. Government will consider how far the court has vindicated the acts of the Government servant. The conclusion of the proceedings in favour of the Government servant will not by itself justify reimbursement. To enable the Government servant to meet the expenses of his defence Government may sanction, at their discretion, an interest free advance not exceeding Rs. 500/- or the Government Servant's substantive pay for three months, whichever is greater, after obtaining from the Government servant a bond in the form reproduced as Annexure "B". The amount advanced would be subject to adjustment against the amount, if any, to be reimbursed as above. The Government servant may be granted an advance from any Provident Fund to which he is a subscriber not exceeding three months pay or one half of the balance standing to his credit, whichever is less; this advance will be repayable in accordance with the rules of the Fund.

4. Proceedings instituted by a Government servant on his being required by Government to vindicate his official conduct- A Government servant may be required to vindicate his conduct in a Court of Law in certain circumstances. The question whether cost incurred by the Government servants in such cases should be reimbursed by the Government and if so, to what extent, would be left over for consideration in the light of the result of the proceedings. Government may, however, sanction an interest free advance, in suitable installments of an amount to be determined by them in each case on the execution of a bond by the Government servant in the form reproduced as Annexure "B". In determining the amount of costs to be reimbursed on the conclusion of the proceedings, the Government will consider to what extent the Court has vindicated the act of the Government servant in the proceedings. Conclusion of the proceedings in favour of the Government servant will not by itself justify reimbursement.

5. Proceedings instituted by a Government servant suo moto with the previous sanction of Government to vindicate his conduct arising out of or connected with his official duties or position. If a Government servant resorts to a Court of Law with the previous sanction of Government to vindicate his conduct arising out of or connected with his official duties or position, though not required to do so by Government, he will not ordinarily be entitled to any assistance but Government may, in deserving cases, sanction advances in the manner indicated in para 3 (b) above, but no part of the expenses incurred by the Government servant will be reimbursed to him, even if he succeeds in the proceedings.

6. Clause (d) of Article 320 (3) of the Constitution requires consultation with the Public Service Commission on any claim by a Government servant for the reimbursement of the costs incurred by him in defending legal proceedings instituted against him in respect of acts done or purporting to be done in the execution of his duty. In other cases consultation with the Public Service, Commission is not obligatory, but it will be open to Government to seek the Commission's advice, if considered necessary.

7. The question whether a case falls under Article 320 (3) (d) of the Constitution so as to require consultation with the Commission may at times be difficult to determine. It may by stated generally that the consultation is obligatory in a case where a reasonable connection exists between the act of the Government servant and the discharge of his official duties, the act must be of such a relation to the official duties that the Government servant could lay a reasonable but not a pretended or a fanciful claim that he did it in the course of the performance of his duties.

8. The appropriate authority for taking decisions in each case will be the administrative department of the Government who will consult the Finance and the Law Departments, where necessary.
