Press Note
Budget 2024-25
Tax Proposals

Annual Financial Statement/Budget has been brought with intent to strengthen the financial system and to provide new vision and resolution to the financial management of the State.

It is noteworthy that we have taken significant steps in this regard with the dawn of the New Government viz: -

- Reduction in VAT Rate on Petrol & Diesel in an effort to fulfill the guarantee of Hon'ble Prime Minister and first attempt in the Country regarding rates of Petrol & Diesel **One State One Rate.**
- Abolition of Land Tax.
- Abolition of Mandi Tax on Sugar & Jaggery.

Government has tried to give relief to common man and the Trade & Business from tax load and inflation despite the fact that Revenue plays a crucial role in the development as well as for the functioning of the public welfare schemes of the State.

Government is committed to take necessary steps in Revenue Earning departments to accelerate the pace of development in the State and provide relief to the common man & investors in the State.

1. Registration & Stamps Department: Efforts on providing relief in the Registration & Stamp Duty.

- Rationalization of applicable Rates and Reduction in Class/Categories of various instruments/documents.
- Exemption of Stamp Duty on Agreements for electricity connections, Apprenticeship Deed executed by Youths for Training, Mortgage deed executed by farmers for availing loan against crops.
- Exemption of Stamp Duty & Registration fees payable on the instruments of settlement deeds executed in favour of wife, daughter-in-law, paternal & maternal grandchildren.
- Reduction of Stamp Duty from 6 % to 2% on instruments of exchange executed between family members relating to non-agricultural immoveable property.
- Full Exemption on Registration Fees along with Stamp Duty on the House provided by Government, Private Organization or an individual on free of cost basis to the war widows or their children or the parents of the martyrs from Military & Paramilitary forces.
- Automation of the process of providing Transferable Development Rights (TDR) and exemption of Stamp Duty on issuance of TDR and reduction from 5% to 2% on the sale of TDR.
- Reduction in the Ceiling of Stamp Duty to Rs 1 Lakh and also capping the Registration Fees to Rs 25,000 on the Debt Assignment so as to facilitate easy Housing Loans to the Common man.
- Stamp Duty on Intermediary Documents like Agreement to Sale, Society Patta etc. reduced to 20% even in cases where the **Local Body has not yet issued Lease/Patta.**

- Reduction of Stamp Duty from 6% to 5% on the Purchase of Flats costing up to Rs 50 Lakhs in Multi Story Building.
- Exemption of Stamp Duty on the GST paid in all under construction Buildings & Flats.
- Exemption on Interest in all such cases where the Stamp Duty is deposited within one month of the determination of the Reference/ Appeal under Stamps Act.
- Reduction of Stamp Duty Rs 1000 instead of Conveyance value in such cases where the Document of Cancellation is executed within one month of the execution of the original document.
- Revenue Functionaries like Patwari, Revenue Inspector and Village Development Officers & Officers of Urban Local Bodies authorized as Site Inspectors for the purpose of Site Inspection.
- Exemption of Stamp Duty on various loan documents executed for taking loan with bank and financial institutions excluding the Principal Loan document.
- Reduction of Stamp Duty on the instruments of Amalgamation, Demerger etc. from 4% to 1% on the values of shares and reduction in the current upper limit from Rs 50 crore to Rs 25 crore.

2. **Commercial Taxes Department:**

- Formulation of New Investment Policy in the State and promotion of Goods & Services sold and **consumed** within the State.
- The following benefits will be extended under RIPS:
 - Reduction of VAT Rate up to 5% on PNG for a definite period in Energy Intensive Industries.
 - Promotional Incentives in cases related to revival of Sick Unit.
 - Extending the benefits of RIPS through Online Portal from 15th August, 2024.
 - Extending validity of Entitlement Certificate from 1 year to 2 years for availing benefits of Stamp Duty exemption.
- Formulation of New VAT Act.
- Reduction of VAT Rate on PNG & CNG from 14.5% to 10%.
- Reduction of VAT Rate from 26% to 2% on Aviation Turbine Fuel for Flying Training Organisation & **Aviation Training Organisation** recognised by DGCA.
- Abolition of Electricity Duty on Auxillary Power consumed by Captive Power Plants and exemption on the remaining part of Electricity Duty along with interest & penalty on the payment of 10% of the outstanding Electricity Duty.
- Development of Integrated System for Additional Resource Mobilization in Online Gaming, e-Commerce & OTT Platform services.

3. **Transport Department:**

- Creation of Corpus Fund of Rs 200 crore as **e-Vehicle Promotion Fund** under the Electric Vehicle Policy.
- Reduction of Motor Vehicle Tax from Rs 504 to Rs 400 per seat per month on all Stage Carriages plying more than 300 Kms per day on "other routes".
- Exemption of Physical Presentation of Vehicle at the time of transfer of ownership of the Vehicle and facility for retention of Registration Number on scrapping of the Vehicle.
- Exemption from compulsory submitting the **Tax Clearance Certificate (TCC)** at the time of issuance of Fitness Certificate of the Transport Vehicle.
