4. Power of Interpretation. – If any question arises relating to the interpretation of these rules, it shall be referred to the Government in the Finance Department whose decision thereon shall be final.

5. Definitions. – In these rules, unless there is anything repugnant in the subject or context, -

- (1) **“Existing Pay Scale”** means scale of pay applicable to a Government servant but for coming into effect of these rules, in respect of a post held by him immediately before 1st September 2006 substantively or in officiating capacity while retaining lien on a permanent post or in a temporary capacity.

Explanation: -

- (i) In the case of a Government servant on deputation out of India or on leave or on foreign service or one who would have officiated in one or more lower posts but for his officiating in a higher post, “Existing Pay Scale” includes the scale applicable to the post which he would have held but for his being on deputation out of India or on leave or on foreign service or officiation in a higher post.
- (ii) In case of a Government servant drawing pay on 31.08.2006 in a scale other than the Rajasthan Civil Services (Revised Pay Scale) Rules, 1998, as amended from time to time, his fixation of pay in the Rajasthan Civil Services (Revised Pay) Rules, 2008 shall be made only after his pay has first been fixed in the Rajasthan Civil Services (Revised Pay Scales) Rules, 1998, as amended from time to time, in respect of post held by him on 31.08.2006.

- (2) **“Existing Government Servant”** means a Government servant who is in service on 1st September 2006 and drawing pay in an existing pay scale.

Accordingly the fixation tables given in Schedule-III appended to these rules shall not apply to them. In other words, pay of such employees in respect of posts held by them on 01.09.2006 or on the date of appointment subsequent to 01.09.2006, whichever is later, shall be fixed at the minimum of the Running Pay Band plus grade pay only after successful completion of the probation period as per provisions of relevant service rules.

- (3) **“Existing Basic Pay”** means pay drawn in the existing pay scale but does not include any other type of pay like Special Pay, etc.
- (4) **“Pre-revised emoluments”** means and includes: -
- (i) Basic Pay as on 1st day of September, 2006 in the existing pay scale.

- (6) **“Grade Pay”** means the grade pay specified in **Col. 6 of Section ‘A’ of Schedule – I.**
- (7) **“Pay in the Running Pay Band”** means and includes, the pre-revised emoluments as defined in sub-rule (4) rounded off to next multiple of 10.
- (8) **“Revised Emoluments”** means the pay in the pay band plus grade pay of a Government servant.
- (9) **“Basic Pay”** means sum of pay in the running pay band and grade pay but does not include any other type of pay like special pay, etc.

- (10) **“Schedule”** means the schedules appended to these rules.
- (11) **“Regular Service”** means and includes service rendered by a Government servant on his appointment after regular selection in accordance with the provisions contained in the relevant recruitment rules for that post. The period of service rendered on ad-hoc basis / urgent temporary basis shall not be counted as the regular service. In other words the period of service which is countable for seniority shall only be counted as regular service.

Provided that the pay of existing Government servants drawing pay in the existing pay scale of 8000-13500, as selection grade, senior scale or selection scale, as the case may be, shall be fixed in the running pay band PB-2 '9300-34800' and Grade Pay of Rs.5400/-.

- (ii) where a Government servant expires before exercising option within the prescribed period or had expired before publication of these rules, he may be deemed to have exercised option in favour of the existing pay scale or the running pay band and grade pay under these rules, whichever is advantageous to him, and his pay shall be fixed accordingly.
- (4) Government servant holding post on 01.09.2006 for which no pay scale has been prescribed for any reason, whatsoever or where the pay scale or conditions attached to the drawal of pay under these rules are subsequently changed, amended or revised, shall exercise option / re-option under this rule within a period of three months of the date of notification of the running pay band and grade pay or any other change related to the running pay band and grade pay.
- (5) The option once exercised shall be final.

12. Fixation of Initial Pay of existing Government servants in the running pay band and grade pay. –

- (1) The initial pay of a Government servant who elects or is deemed to have elected under sub-rule (3) of Rule 11 to be governed by the running pay band and grade pay on and from the 1st day of September 2006 shall, unless in any case the Governor by special order otherwise directs be fixed separately in respect of his substantive pay in the permanent post on which he holds a lien or would have held a lien if it has not been suspended, and in respect of officiating post held by him in the following manner, namely: -

(A) in the case of all employees -

- (i) the pay in the running pay band will be determined by multiplying the existing basic pay as on 01.09.2006 by a factor of 1.86 and rounding off the resultant figure to the next multiple of 10.
- (ii) if the minimum of the running pay band is more than the amount arrived at as per (i) above, the pay shall be fixed at the minimum of the running pay band;

Provided further that -

Where, in the fixation of pay, the pay of Government servant drawing pay at two or more consecutive stages in an existing pay scale gets bunched, that is to say, gets fixed at the same stage in the running pay band, then, for every two stages so bunched, benefit of one increment @ 3% of the pay in the Running Pay Band alone shall be given so as to avoid bunching of more than two stages in the running pay bands. For this purpose, the increment will be calculated on the pay in the running pay band only. Grade Pay would not be taken into account for

the purpose of granting increments to alleviate bunching.

If by stepping up of pay as above, the pay of a Government servant gets fixed at a stage in the running pay band which is higher than the stage in the running pay band at which the pay of a Government servant who was drawing pay at the next higher stage or stages in the same existing pay scale is fixed, the pay of the latter shall also be stepped up only the extent by which it falls short of that of the former.

- (iii) the pay in the running pay band will be determined in the above manner. In addition to the pay in the running pay band, grade pay corresponding to the existing pay scale will be payable. **Illustration - 1** on the above is provided in the Explanatory Memorandum of these Rules.
 - (iv) Stage-wise fixation of existing Government servants in the Running Pay Bands shall be made as indicated in Schedule - III appended to these rules subject to the provisions of Rule 10 above.
- (B) In the case of employees who are in receipt of special pay/ allowance in addition to pay in the existing pay scale which has been replaced by a running pay band and grade pay without any special pay / allowance, pay shall be fixed in the running pay band in accordance with the provisions of clause (A) above.

Note - 1 Where the post has been upgraded the fixation of pay in the applicable running pay band will be done in the manner prescribed in accordance with Clause (A) (i) and (ii) of Rule 12 by multiplying the existing basic pay as on 01.09.2006 by a factor of 1.86 and rounding the resultant figure to the next multiple of ten. The grade pay corresponding to the upgraded scale as indicated in Col. 7 of Section 'B', 'C' and 'D' of Schedule - I will be payable in addition. **Illustration - 2** in this regard is in the Explanatory Memorandum of these Rules.

Note - 2 In the case of merger of pay scales, pay in the running pay band will be fixed in the manner prescribed in accordance with Clause (A) (i) and (ii) of Rule 12 by multiplying the existing basic pay as on 01.09.2006 by a factor of 1.86 and rounding the resultant figure to the next multiple of ten. The grade pay corresponding to the merged scale as indicated in Col. 7 of Section 'B', 'C' and 'D' of Schedule - I will be payable in addition. **Illustration - 3** in

this regard is in the Explanatory Memorandum of these Rules.

Note - 3 A Government servant who is on leave on the 1st day of September 2006 and is entitled to leave salary shall become entitled to pay in the running pay band from 01.09.2006 or the date of option for the running pay band.

Note - 4 A Government servant under suspension as on 01.09.2006, shall continue to draw subsistence allowance based on existing pay scale and his pay in the running pay band will be subject to the final order on the pending disciplinary proceedings.

Note - 5 Where a Government servant is holding a permanent post and is officiating in a higher post on a regular basis and the scales applicable to these two posts are merged into one scale, the pay shall be fixed under sub-rule (1) with reference to the officiating post only, and the pay so fixed shall be treated as substantive pay.

The provisions of this Note shall apply mutatis mutandis, to Government servants holding in an officiating capacity, posts on different existing pay scales which have been replaced by the running pay bands.

Note - 6 Where the 'pre-revised emoluments' exceed the Basic Pay in the case of any Government servant, the difference shall be allowed as personal pay to be absorbed in future increases in pay.

Note - 7 Where in the fixation of pay under sub-rule (1), the pay of a Government servant, who, in the existing pay scale was drawing immediately before the 1st day of September 2006 more pay than another Government servant junior to him in the same cadre, gets fixed in the running pay band at a stage lower than that of such junior, his pay shall be stepped upto the same stage in the running pay band as that of the junior.

Note - 8 Where a Government servant is in receipt of personal pay on the 1st day of September 2006, which together with his pre-revised emoluments exceeds the Basic Pay, then, the difference representing such excess shall be allowed to such Government servant as personal pay to be absorbed in future increases in pay.

(2) Subject to the provisions of Rule 7, if the pay as fixed in the officiating post under sub-rule (1) is lower than the pay fixed in the substantive post, the former shall be fixed at the same stage as the substantive pay.

13. Rate of increment in the running pay band. – The rate of increment in the running pay band will be 3% of the sum of the pay in the running pay band and grade pay applicable, which will be rounded off to the next multiple of 10. The amount of increment will be added to the existing pay in the running pay band. **Illustration 4** in this regard is in the Explanatory Memorandum to these Rules.

14. Date of next increment in the running pay band. – There will be a uniform date of annual increment, viz. 1st July of every year. Employees completing 6 months and above in the running pay band as on 1st of July will be eligible to be granted the increment. The first increment after fixation of pay on 01.09.2006 or thereafter as per option in the running pay band will be granted to the employees, who have completed 6 months and above as on 01.07.2007.

Provided that in the case of persons who had been drawing maximum of the existing pay scale for more than a year as on the 1st day of September, 2006, the next increment in the running pay band shall be allowed on the 1st day of September, 2006. Thereafter, the provision of Rule 14 would apply.

Note - In cases where two existing scales, one being a promotional scale for the other, are merged, and the junior Government servant, now drawing his pay at equal or lower stage in the lower scale of pay, happens to draw more pay in the running pay band than the pay of the senior Government servant in the existing higher scale, the pay in the running pay band of the senior Government servant shall be stepped up to that of his junior from the same date and he shall draw next increment in accordance with Rule 14.

15. Fixation of Pay in case of stagnation at maximum of running pay band for more than a period of one year. – In case a Government servant reaches the maximum of his running pay band, shall be placed in the next higher running pay band after one year of reaching such a maximum. At the time of placement in the higher pay band, benefit of one increment will be provided. Thereafter, he will continue to move in the higher pay band till his pay in the running pay band reaches the maximum of PB-4, after which no further increments will be granted.

16. Removal of anomalies. – In case where a senior Government servant promoted to a higher post before the 1st day of September 2006 draws less pay in the running pay band than his junior who is promoted to the higher post on or after the 1st day of September, 2006, the pay in the running pay band of the senior Government servant should be stepped up to an amount equal to the pay in the running pay band as fixed for his junior in that higher post. The stepping up should be done with effect from the date of promotion of the junior Government servant subject to the fulfillment of the following conditions, namely: -

- (a) both the junior and the senior Government servants should belong to the same cadre and the posts in which they have been promoted should be identical in the same cadre.

- (b) the existing pay scale of pay and the grade pay of the lower and higher posts in which they are entitled to draw pay should be identical.
- (c) the senior Government servants at the time of promotion should have been drawing equal or more pay than the junior.
- (d) the anomaly should be directly as a result of the application of the provisions of Rule 24 of these rules regulating pay fixations on such promotion in the running pay band. If even in the lower post, the junior officer was drawing more pay in the existing pay scale than the senior by virtue of any advance increments granted to him, provision of this Note need not be invoked to step up the pay of the senior officer.

17. Dearness Allowance, House Rent Allowance and all allowances, facilities, pension etc. shall be payable on the sum of pay in the running pay band and grade pay i.e. on 'basic pay'.

18. Facilities like Government housing, etc., will be governed by the grade pay. An employee in the higher grade pay will be senior to an employee in a lower grade pay.

19. Scheme of Assured Career Progression. – In lieu of selection grades, the scheme of Assured Career Progression (ACP) with three financial upgradations shall be allowed as under: -

- (1) The scheme will be available to all posts including State services.
- (2) Benefit of pay fixation available at the time of normal promotion shall be allowed at the time of financial upgradations under the scheme. Thus, an increase of 3% of sum of pay in the running pay band and grade pay shall be available as financial upgradation under the scheme.
- (3) The grade pay shall change at the time of financial upgradation under this scheme. The grade pay given at the time of financial upgradation under ACPs will be the immediate next higher grade pay in the hierarchy of Running Pay Bands and grade pay being prescribed. Thus, grade pay at the time of financial upgradation under ACPs can, in certain cases where regular promotion is not between two successive grades, be different than what is available at the time of regular promotion. In such cases, the higher grade pay attached to the next promotion post in the hierarchy of the concerned cadre / organisation will be given only at the time of regular promotion.
- (4) Financial upgradation under the scheme will be available whenever a person has spent 10 years continuous regular service in the same grade pay. However, not more than three financial upgradations shall be given in the entire career.

- (5) In the case of Government servants who become eligible for ACP on completion of requisite period of service while drawing pay in the Grade Pay of Rs.4800/- in the running pay band PB-2 '9300-34800' shall be granted ACP in the grade pay of Rs.5400/- in the running pay band PB-2 '9300-34800'.

20. Existing Government servants who have already availed benefit of three selection grades will not be eligible for the grant of ACP. Those Government servants who have availed benefit of one selection grade / one promotion will be eligible for second and third ACP on completion of 20 and 30 years of service, respectively. Similarly those Government servants who have availed benefit of two selection grades / two promotions will be eligible for third ACP on completion of 30 years of service.

21. **Amount of fixed remuneration for a Probationer-trainee.** – A probationer trainee shall draw fixed remuneration during the period of probation training. Only on successful completion of period of probation training, he will be allowed pay in the Running Pay Band and Grade Pay. These provisions will be applicable to the existing probationer trainees as well as new recruits. The fixed remuneration shall be as indicated in Schedule – IV appended to these rules.

22. **Fixation of pay in the running pay band of a probationer-trainee completing probation period successfully on or after 01.09.2006.** – A probationer trainee on successful completion of probation period will be allowed pay in the running pay band and grade pay, as indicated in Schedule - V appended to these rules.

Provided that a Government servant who is already in regular service of the State Government, if appointed on another post as a probationer-trainee and has opted to draw pay in the pay scale of the previous post, on successful completion of probation period his pay will be fixed in the running pay band of the new post at the equal stage with reference to the pay of the previous post and grade pay.

23. **Fixation of pay in the running pay band subsequent to the 1st day of September, 2006.** – Where a Government servant continues to draw his pay in the existing pay scale and is brought over to the running pay band from a date later than the 1st day of September, 2006, his pay from the later date in the running pay band shall be fixed in the following manner: -

- (i) Pay in the running pay band will be fixed by adding the basic pay applicable on the later date, the dearness pay applicable on that date and the pre-revised dearness allowance based on rates in force w.e.f. 01.01.2006 and applicable as on 01.09.2006. This figure will be rounded off to the next multiple of 10 and will then become the pay in the applicable running pay band. In addition to this, the grade pay corresponding to the existing pay scale will be payable. Where the Government servant is in receipt of special pay or non-practising allowance, the methodology followed will be as

prescribed in Rule 12 (1) (B) or (C) as applicable, except that the basic pay and dearness pay to be taken into account will be the basic pay and dearness pay applicable as on that date but dearness allowance will be calculated as per rates applicable on 01.01.2006.

24. Fixation of pay on promotion on or after 01.09.2006. – In the case of promotion from one grade pay to another in the running pay band, the fixation will be done as follows: -

- (i) One increment equal to 3% of the sum of the pay in the running pay band and the existing grade pay will be computed and rounded off to the next multiple of 10. This will be added to the existing pay in the running pay band. The grade pay corresponding to the promotion post will thereafter be granted in addition to this pay in the running pay band. In cases where promotion involves change in the running pay band also, the same methodology will be followed. However, if the pay in the running pay band after adding the increment is less than the minimum of the higher pay band to which promotion is taking place, pay in the running pay band will be stepped to such minimum.

25. Overriding effects of Rules. – The provisions of Rajasthan Service Rules, the Rajasthan Civil Services (Revised Pay Scales) Rules, 1998 and FD Order No. F.16(2)FD(Rules)/98 dated 17.02.1998 as amended from time to time, regarding grant of selection grades shall not, save as otherwise provided in these rules, apply to cases where pay is regulated under these rules, to the extent they are inconsistent with these rules.

26. Non-accrual of arrears. – Notwithstanding anything contained in these rules, no arrear of pay and allowances thereon, on any account, shall accrue to a Government servant, whether existing or appointed between 01.09.2006 to 31.12.2006 (both days inclusive), for the period upto 31.12.2006.

The tables of fixation of pay have been appended to the aforesaid rules with a view to facilitating and expediting fixation of pay in the running pay bands and grade pays thereon.

2. The rules provide that Government servants should exercise option within three months from the date of publication of these rules indicating whether they desire to come over to the running pay band and grade pay or to retain their existing pay scales. In the case of a Government servant who does not exercise option to retain the existing scale of pay within the prescribed time, he will be deemed to have opted for the Rajasthan Civil Services (Revised Pay) Rules, 2008 and thereupon his pay shall be fixed in the running pay band and grade pay. The option given by the Government servant may be pasted in his Service Book and a true copy of it be placed in his personal file. The fixation of pay in the running pay band and grade pay of the individual Government servant may, therefore, be done as and when option is received. The Heads of Departments / Offices should not wait or postpone action in this respect until options from all Government servants serving under them are received.

3. (i) The pay of Government servants may be drawn in the running pay bands and grade pays thereon after pay fixation statements have been checked by the Accounts Officer(s)/ Assistant Accounts Officer(s) of the Department or the officer(s) specially authorised in this connection. 4. In the absence of pre-audit, there is a possibility of fixation of pay being done wrongly resulting in over-payments which shall have to be recovered subsequently. To safeguard against such a contingency, the disbursing officers shall obtain undertaking from each Government servant that in the event of overpayment as a result of incorrect fixation of pay, recovery may be made from his pay.

5. The Accounts Officer(s)/ Assistant Accounts Officer(s) are hereby authorised to check the pay fixation statements of employees serving in their respective Departments. Where there is no Accounts Officer/ Assistant Accounts Officer in a Department the fixation statement for checking will be sent by the Head of Office to the Treasury Officer who passes salary claims of that office. The Treasury Officer(s) and Assistant Treasury Officer(s) of such Treasuries are authorised to check such fixation statements.

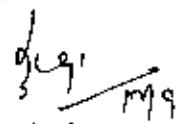

6. The fixation of pay of Government servants on deputation to various undertakings, autonomous bodies etc. in the running pay bands and grade pays under the Rajasthan Civil Services (Revised Pay) Rules, 2008 shall be done by the Accounts Officer/ Assistant Accounts Officer of their parent departments to which they belong. 9. The fixation statement checked and approved by the authorities specified in para 5 above will be subject to check by the audit parties of the Accountant General's Office and internal check / audit parties of the State Government when they visit Offices/ Departments for conducting normal audit.
