**RAJASTHAN SERVICE RULES**  
**VOLUME - II**  
**APPENDIX - I**

**Administrative Instructions in connection with the Service Rules**

The Government are pleased to make the following Rules in connection with the Service Rules :-

**I. Charge of Office**

1. Unless for special recorded reasons (which must be of public nature) the authority under whose orders the transfer takes place permits or requires it to be made in any particular case elsewhere, or otherwise, the charge of an office must be made over at its headquarters, both the relieving and the relieved Government servants being present.

**Government of Rajasthan's Decision**

<sup>1</sup>[It has come to the notice of the Government that on the issue of transfer orders the relieving Government servant reports for duty to take charge of the post to which he has transferred, but for one reason or the other the Head of Office / Department or the Government servant to be relieved intentionally delays or avoids the handing over of the charge.

The matter has been examined and it has been decided that on receipt of transfer orders charge should be made over immediately on the arrival of the relieving Government servant. If any intentional delay is caused in handing over charge, the relieving Government servant shall assume charge of the post and the relieved Government servant shall be deemed to be on extraordinary leave unless leave with pay, as due is sanctioned, with effect from the date of assuming of charge by the relieving Government servant by the competent authority. ]

**Government of Rajasthan's Instructions**

<sup>2</sup>[In Finance Department Memo dated the 7th November, 1969 (appearing as decision No. 1 above) instruction were issued to ensure immediate compliance of the transfer orders, no sooner the relieving officer has arrived for taking over charge. The Accountant General, Rajasthan has brought to notice of the Government that these instructions are not followed properly. The Government view this non-compliance seriously and issue the following further instructions, the compliance whereof may be ensured rigidly:-

1. The Relieving Government servant should immediately on assumption of charge, send copies of the charge report to the Treasury Officer and to his controlling officer, indicating the name of the officer deemed to have been relieved in the charge report.
2. The controlling Officer on receipt of intimation should write to the Treasury Officer requesting discontinuance of payments to the officer who avoided to handover charge and who has been deemed to have been relieved in these circumstances, with a copy to the Accountant General, Rajasthan.

<sup>2</sup> Inserted vide F.D. Memo No. F.1(72) FD (Rules)69, dated 15.07.1970

3. The question whether there has been intentional delay in handing over charge or the Government servant avoided to handover charge, will be determined by the authority competent to issue transfer orders, and this authority will regularize, where necessary, the period of delay by grant of leave with pay from date the relieving Government servant assumes charge of the post. ]

2. The condition imposed by the rule that both the relieving and the relieved government servants must be present need not be enforced in the case of the Government servants who are permitted to combine vacation with leave. In such cases the following procedure should be followed :-

- (a) When vacation prefixed to leave the outgoing Government servant will report before leaving headquarters, or if for urgent reasons the leave is granted during vacation, as soon as it is granted that he takes over charge with effect from the end of the vacation. The relieving Government servant will then take over charge at the end of the vacation in the ordinary way.
- (b) When the vacation is affixed to leave the Government servant to be relieved will take over charge in the ordinary way before the vacation, the incoming Government servant on return at the end of the vacation taking over charge with effect from the beginning of the vacation.

### **Government of Rajasthan's Decision**

<sup>1</sup>[ A question has been raised whether counter-signatures by a higher authority are essential on charge reports of taking over/handing over of Gazetted Officer. The question has been examined and it has been decided that counter-signature by the immediate superior officer is essential only where an officer hands over or takes up and there is no officer to whom he hands over or from whom he takes over.]

3. As a general rule, and subject to any special orders to the contrary in particular cases, the headquarters of a Government servant on the staff of Government, as for instance, a Secretary to Government or a clerk in the Government Secretariat, are the headquarters, for the time being, of the Government, to which he is attached.

The Headquarter of any other Government servant is either the station which has been declared to be his headquarter by the authority which appoints him, or, in the absence of such declaration, the station where the records of his office are kept.

### **Leaving Jurisdiction**

4. No Government servant other than a police officer acting within his legal powers is entitled to pay or allowance for any time he may spend beyond the limits of his charge without proper authority.

5. A competent authority may authorize a Government servant under his control to proceed on duty to any part of India whether within or beyond its jurisdiction or to any Foreign Settlement in India.

6. A Government servant permitted under this rule to proceed to any place /on duty may take with him such establishment and records as are absolutely necessary for the efficient discharge of his duties.

7. A Controlling Officer may allow any Government servant subordinate to him to proceed on duty to any part of the territories of Rajasthan or to a district or a Foreign Settlement adjoining the jurisdiction of the Controlling Officer and to draw travelling allowance.

## **II. Suspension During Pendency of Criminal Proceeding or Proceedings or Arrest for Debt or During Detention Under a Law Providing For Preventive Detention**

<sup>1</sup>[(a) A Government servant who is detained in custody under any law providing for preventive detention or as a result of proceeding either on a criminal charge or for his arrest for debt shall, if the period of detention exceeds 48 hours and unless he is already under suspension, be deemed to be under suspension from the date of detention until further orders as contemplated in Rule 13(2) of the Rajasthan Civil Services (Classification, Control and Appeal) Rules, 1958. A Government servant who is undergoing a sentence of imprisonment shall also be dealt with in the same manner, pending a decision on the disciplinary action to be taken against him;

(b) A Government servant against whom a proceeding has been taken on a criminal charge but who is not actually detained in custody (e.g. a person released on bail) may be placed under suspension by an order of the competent authority under clause (b) of Rule 13(1) of Rajasthan Civil Services (Classification, Control and Appeal) Rules 1958. If the charge is connected with the official position of the Government servant or involving any moral turpitude on his part, suspension shall be ordered under this rule unless there are exceptional reasons for not adopting this course;

(c) A Government servant against whom a proceeding has been taken for his arrest for debt who is not actually detained in custody may be placed under suspension by an order under clause (a) of Rule 13(1) of the Rajasthan Civil Services (Classification, Control and Appeal) Rules, 1958 i.e. only if a disciplinary proceeding against him is contemplated;

(d) When a Government servant who is deemed to be under suspension in the circumstances mentioned in clause (a) or who is suspended in circumstances mentioned in clause (b) is re-instated without taking disciplinary proceedings against him, his pay and allowances for the period of suspension will be regulated under Rule 54, i.e. in the event of his being acquitted of blame or (if the proceeding taken against him was for his arrest for debt) or its being proved that his liability arose from circumstances beyond his control or the detention being held by any competent authority to be wholly unjustified, the case may be dealt with under Rule 54(2), otherwise it may be dealt with under Rule 54(3).]

---

<sup>1</sup> Substituted for the following by F.D.Memo No. 2467/59/F-7A(1) F.D. A/Rules/58-I, dated 10.8.1959 and will take immediate effect.

"1. A Government servant against whom proceedings have been taken either for his arrest for debt or on criminal charge for who is detained under any law providing for preventive detention should be considered as under suspension for any periods during which he is detained in custody or is under going imprisonment, and not allowed to draw any pay and allowances (other than any subsistence allowance that may be granted in accordance with the principles laid down in Rajasthan Service Rules (Rule 53) for such period until the termination of proceeding taken against him. An adjustment of his allowances for such period should thereafter be made according to the circumstances of the case, the full amount be given only in the event of the officer being acquitted of blame or (if the proceedings taken against him [or until he is released from detention and allowed to join duty] as the case may be (for his arrest for debt) of its being proved that the officer's liability arose from circumstances beyond his control (or the detention being held by any Competent Authority to be unjustified).

2. A Government servant against whom a criminal charge or a proceeding for arrest for debt is pending should also be placed under suspension by the issue of specific order to this effect during periods when he is not actually detained in custody or imprisoned (e.g. whilst released on bail) if the charge made or proceeding taken against him is connected with his position as a government servant and is likely to embarrass him in the discharge of his duties as such or involves moral turpitude. In regard to his pay and allowance, the provisions of paragraph 1 above shall apply."

### III. Casual Leave

1. Casual leave is not recognized and is not subject to any rule. Technically, therefore, a Government servant on casual leave is not treated as absent from duty and his pay is not intermitted. Casual leave however, must not be given so as to cause evasion of the rules regarding:-

(i) date of reckoning pay and allowances, (ii) charge of office, (iii) commencement and end of leave, (iv) return to duty, or so as to extend the term of leave beyond the time admissible by rule.

#### Clarification

<sup>1</sup>[ There are occasions when Government servants keep away from duty without obtaining prior sanction of casual leave assuming that such leave would be sanctioned in due course. Attention of all Government servants may, however, be invited to Part III of Appendix I of the Rajasthan Service Rules, Volume II, according to which a person on Casual Leave continues on duty and, therefore, the grant of casual leave is a matter entirely at the discretion of the sanctioning authority. There can thus be no presumption that casual leave asked for will always be sanctioned. If the sanctioning authority considers that Government work will suffer, he may refuse casual leave. A Government servant whose application for casual leave is rejected and who is not present on duty will be guilty of willful absence from duty. Such willful absence amounts to interruption in service involving forfeiture of past services as well as mis - behaviour.]

<sup>2</sup>[राजस्थान सेवा नियम, 1951, खण्ड द्वितीय के परिशिष्ट-I के अनुभाग -III आकस्मिक अवकाश में दिये गए स्पष्टीकरण के अनुसार किसी राज्य कर्मचारी को आकस्मिक अवकाश का उपभोग करने से पूर्व अपवाद स्वरूप परिस्थितियों के अतिरिक्त ऐसे अवकाश की पूर्व स्वीकृति प्राप्त करना आवश्यक होता है। इसी प्रकार राजस्थान सेवा नियम, 1951 के नियम 86 में प्रवधान है कि एक कर्मचारी बिना अवकाश अथवा सक्षम प्राधिकारी द्वारा उसके आवेदित अवकाश को स्वीकृत करने से पूर्व ही अपने पद/कर्तव्य से अनुपस्थित रहता है तो उसे "कर्तव्य से जानबूझकर अनुपस्थित रहा" माना जावेगा और ऐसी अनुपस्थिति को सेवा में व्यवधान मानते हुये पिछले सेवाकाल को जब्त किया जा सकेगा जब तक संतोषप्रद कारण बताने पर उक्त अनुपस्थिति को अवकाश स्वीकृतकर्ता प्राधिकारी द्वारा उसे देय अवकाश स्वीकृत कर नियमित नहीं कर दिया जाता है अथवा असाधारण अवकाशों में परिवर्तित नहीं कर दिया जाता है।

प्रायः यह देखा गया है कि राज्य के अधिकारियों एवं कर्मचारियों द्वारा निजी कार्यों के लिए विदेश यात्रा हेतु आकस्मिक अवकाश/उपार्जित अवकाश का आवेदन पत्र विदेश यात्रा के प्रारम्भ होने के कुछ दिन पूर्व ही सक्षम अधिकारी को प्रस्तुत किया जाता है, जिसके कारण सक्षम अधिकारी द्वारा अवकाश की स्वीकृति अथवा अस्वीकृति संबंधित अधिकारी को भिजवाने हेतु पर्याप्त समय नहीं रहता है एवं अधिकारी यह मानते हुए कि उनका अवकाश स्वीकृत हो चुका है/ स्वीकृत हो जायेगा, विदेश यात्रा पर रवाना हो जाता है। यह स्थिति राजकार्य को सुचारु रूप से संचालित किये जाने की दृष्टि से उचित नहीं है।

अतः महत्वपूर्ण राजकार्य को सम्पादित करने में कोई बाधा उत्पन्न नहीं होवे, इसको दृष्टिगत रखते हुए निर्देश दिये जाते हैं कि विदेश में निजी यात्रा पर जाने के इच्छुक अधिकारी कम से कम 3 सप्ताह पूर्व सक्षम अधिकारी को अपना अवकाश आवेदन पत्र प्रस्तुत करेंगे, ताकि सक्षम अधिकारी द्वारा यथोचित निर्णय लेकर विदेश यात्रा प्रारम्भ होने की तिथि से पूर्व ही अवकाश की स्वीकृति अथवा अस्वीकृति के संबंध में सूचित किया जा सके।

समस्त विभागाध्यक्षों से अनुरोध है कि वे अपने अधीन कार्यरत अधिकारियों से उक्त निर्देश की कठोरता से पालना सुनिश्चित करावें।

## Government of Rajasthan's Instructions

<sup>1</sup>[1. In accordance with 'Clarification' appearing in section-III Casual Leave of Appendix I of the Rajasthan Service Rules, Volume-II a Government servant is required to obtain prior sanction of casual leave before availing of such leave.

It has been represented to Government that some times the Government servant experiences genuine difficulties in obtaining prior sanction for grant of casual leave, because of his own or his family members or relatives illness or for any reason beyond his control. The sanctioning authorities may take a sympathetic view in such cases and on merit of the case, accord ex-post – facto sanction of casual leave for such occasions, e.g. illness, attendance in hospital, attending funerals, even when prior sanction for the same has not been obtained by the Government servant concerned.]

<sup>2</sup>[2. Under Finance Department Memorandum No.F.1(44)FD (Exp-Rules)/64 dated 22.05.1965 (appearing as clarification above) it has been clarified that a Government servant who does not obtain prior sanction of casual leave and whose application for casual leave is rejected by the sanctioning authority and who is not present on duty, will be guilty of willful absence from duty. Such willful absence amounts to interruption in service involving forfeiture of past service as well as misbehaviour, vide Memo No.F.1(34)FD/Rules/70, dated the 30th June, 1970 the leave sanctioning authorities were asked to take a sympathetic view in granting casual leave in cases of genuine nature i.e. where it was not possible to obtain prior sanction for the grant of casual leave.

In order to enforce the provisions of the Finance Department Memo No.F.1(44)FD(E-R)/64, dated 22.05.1965, except in the circumstances narrated in the Finance Department Memo dated 30.06.1970 referred to above, it is necessary that sanctioning authorities should ensure that applications for casual leave are refused before due date and such refusal is communicated to the Government servant concerned. Mass Casual leave, however, will not require individual rejection by the sanctioning authority. The leave sanctioning authority shall, however, pass orders rejecting Mass Casual Leave. A copy of the order issued to this effect that casual leave has not been sanctioned would be placed on the Notice Board by the leave sanctioning authority for information of all concerned. Mass Casual Leave will amount to absence from duty as a strike measure and the Government servants concerned will be considered guilty of wilful absence from the duty.]

<sup>3</sup>**[Regularisation of the period of absence from duty of Government servants who remained on strike during the period from 9th January, 1989 to 23rd February, 1989:** The Governor has been pleased to order that the absence from duty of Government servants who participated in the strike from 9th January, 1989 to 23rd February, 1989 may be regularised by grant of Privilege Leave due and admissible to them. In case Privilege Leave in balance in favour of an employee falls short of the period of absence from duty during which he remained on strike, the residual period shall be adjusted against the Privilege Leave which he will earn in future. In such cases Privilege Leave for any other purpose shall not be granted till full period of absence on account of remaining on strike is adjusted against Privilege Leave. The Privilege Leave sanctioned (due or to be earned) shall be entered in the leave account of each employee.

Every Government servant who desires to get the period of absence from duty regularised in the manner stated above shall be required to apply for Privilege Leave in the prescribed form. In case application for grant of Privilege Leave has been received but sanction of leave as above is likely to take some time, leave salary may be drawn in anticipation of sanction of Privilege Leave as above.

Government servants who are posted in a place other than the place where office of the Head of Office is located shall be required to give an undertaking in regard to the days on which they attended their duties during the period from 9th January, 1989 to 23rd February, 1989. The undertaking will be taken by Heads of Offices invariably from such employees in the following form -

<sup>1</sup>[ **Regularisation of the period of absence from duties of the employees who could not attend office due to imposition of Curfew in some of the areas of the Jaipur City** : On account of outbreak of riots Curfew was imposed in some of the areas of the Jaipur City in the afternoon of 27th November, 1989. On account of imposition of Curfew the Government servants involved in the affected areas could not attend office or may not be able to attend office till imposition of Curfew continues.

The matter has been considered and the Governor is pleased to order that the period of absence from duty of the employees who could not or may not attend office so long as Curfew continues in the concerned areas may be regularised by grant of special casual leave of making of an application by the concerned employee and stating therein that he could not attend office due to imposition of Curfew in the area, where he resides or his office is located or the areas through which he has to pass for attending the office.]

<sup>2</sup>[On account of out break of riots in any part of the State, Curfew has to be imposed by the District Administration in the affected areas to control the law and order situation and as a consequence of imposition of Curfew, the Government servants held up in the affected areas can not attend office or may not be able to attend office till imposition of Curfew continues. Some reference for regulating the period of absence from duty of such employees are pending in the Finance Department.

The matter has, therefore, been considered in reference to the previous order of even number dated 07.12.1989 and the Governor is pleased to order that wherever such situation arises, the period of absence from duty of the employees who can not or may not attend office in the duration of Curfew in the concerned areas may be regularised subject to verification of facts, by grant of Special Casual Leave to the concerned employees on making of an application by him stating therein that he could not attend office due to imposition of Curfew in the area where he resides or office is situated or the areas through which he has to pass for attending the office. ### Government of Rajasthan's Decision

<sup>2</sup>[1. The question regarding the entitlement to special casual leave to female Government servants who undergo puerperal or non-puerperal operations for salpingectomy has been reconsidered.

The position is that the operation of salpingectomy for sterilising women can be done at any time. When it is done two to five days after the delivery it is called puerperal sterilization. When it is done at any other time it is called non-puerperal or gynaecological (gynaec) sterilisation. In the case of puerperal sterilisation, since the female Government servants are already entitled to maternity leave to the extent of six weeks from the date of confinement or upto three months from the date of commencement of maternity leave it has been decided that no special casual leave need be granted to a female Government servant who undergoes puerperal sterilisation. In regard to the other kind of sterilisation, namely, non - puerperal 14 days is essential for the operation and for rest after the operation. It has, therefore, been decided in partial modification of the aforesaid order that special casual leave not exceeding 14 days may be granted to female Government servants who undergo non- puerperal sterilization.

It has also been decided that special casual leave admissible under paragraph 1 above and to male Government servants in terms of Finance Department order dated 06.05.1964 may be allowed to be combined either with casual leave or regular leave provided such leave in excess of special casual leave has been recommended on medical advice and a medical certificate from the appropriate medical authority under the leave rules applicable to the Government servant concerned in support of leave is produced. In no case, however, special casual leave should be allowed to be combined with casual leave as well as with regular leave at one time.]

<sup>3</sup>[2. Attention is invited to Finance Department Memo No.F.1(19)FD(E-R)/64, dated 28th October, 1966 (appearing as Govt. of Rajasthan's Decision above) and to say that the question whether a male Government servant whose wife undergoes a non- puerperal Tubectomy operation should be granted any special casual leave for looking after his wife, was under consideration for some time. It has now been decided that a male Government servant whose wife undergoes a Non- puerperal Tubectomy operation, may be granted special casual leave upto seven days. This will be subject to production of Medical Certificate from the Doctor who performed the operation to the effect that the presence of a Government servant is essential for the period of leave to look after the wife during her convalescence after operation.

Past cases which have been decided prior to the issue of these orders will not be re-opened.]

<sup>4</sup>[3. In the event of a failure of a sterilization operation, if an employee undergoes vasectomy operation for the second time, he should normally be granted special casual leave for six days again on production of medical certificate from the prescribed medical authority to the effect that first operation was failure and the second operation was actually performed.]

<sup>5</sup>[4. In the event of failure of a tubectomy operation, if an employee undergoes non- puerperal tubectomy operation for the second time she should normally be granted special casual leave for 14 days again on production of medical certificate from the prescribed Medical authority to the effect that first operation was failure and the second operation was actually performed.]

**Special Casual Leave to Government servants for appearing at departmental examination under the Rajasthan Civil Services (Department Examination) Rules.**

<sup>1</sup>[The Government have under consideration the question of treatment of period of absence from duty of Government servants appearing at departmental examinations under Rajasthan Civil Services (Departmental Examinations) Rules, 1958. Government servants can combine special casual leave with ordinary casual leave (but not with regular leave) for the purpose.

The power of granting special leave under these orders will be exercised by the Head of Department / Office concerned.]

**Special Casual Leave for Conference of Service Associations.**

<sup>2</sup>[It has been noticed that some Administrative Department of the Government e.g. Appointments / Judicial Department have sanctioned Special Casual Leave to officers under their administrative control for attending conference of Service Associations.

The grant of such special casual leave by the Administrative Department without Finance Department's prior concurrence is irregular. Attention of the Administrative Departments is invited to provisions contained in Appendix-I Section-III Casual leave / Special leave of the Rajasthan Service Rules Volume II. The correct procedure in such a case is that proposals for grant of special casual leave should be referred to the Finance Department (Rules), which may issue necessary order under the said Appendix. The general policy of Finance Department is to allow special casual leave for undertaking academic work in the Universities or to attend meetings / Seminars / Training Course at State level or All India level with prior permission of the Government, where attendance of Government servants seems in public interest. The Finance Department do not agree to grant of special casual leave to attend conferences of the Service Associations or to participate in personal capacity in the debates, lectures etc, as no public interest is served.

The Administrative Departments are, therefore, requested to ensure that aforesaid procedure is followed and no special casual leave is permitted without prior reference to Finance Department.]

2. The special casual leave shall be granted by the authority competent to sanction casual leave to the Government servant concerned.

This issues in supersession of all previous orders issued by the Government on the above subject.]

<sup>1</sup>[The office bearers of the executive body of All Rajasthan State Government Employees Federation and State Level Associations are allowed 10 days special casual leave in a calendar year by the authorities competent to sanction casual leave as provided under Finance Department Order of even number dated 07.11.1978.

Some doubts have been raised regarding exact scope of the aforesaid provisions, whether in cases where the executive body of these organizations are changed during a calendar year, the members of old executive as well as new executive are entitled for 10 days special casual leave separately in a same calendar year or they are to be allowed 10 days special casual leave in proportion of the period, the respective executive body remains active in office.

It is clarified that the intention of the aforesaid order is to permit 10 days special casual leave during a calendar year in total and in cases where executive is changed in mid of calendar year, they should be allowed special casual leave in proportion of the period they remain in office. In no case total special casual leave should cross 10 days maximum limit.]

In order to alleviate hardship in such cases it has been decided that the temporary female Government Servants who are wives of the Defence Personnel may be granted extraordinary leave upto six months in relaxation of Rule 96 of Rajasthan Service Rules during the period their husbands remain posted at family stations and thereafter rejoining their post when their husbands are posted out to non-family stations / operation areas.]

### **III-A. Compensation (Casual) Leave in lieu of Holiday**

<sup>1</sup>[1. Compulsory attendance on Sundays and other gazetted holidays justifies the grant to a member of the Ministerial establishment, of compensation (casual) leave for the number of days he is compelled to attend the office, unless the attendance is imposed on him as a penalty. The compensation (casual) leave earned under this instruction will be an addition to the 15 days' casual leave ordinarily admissible in year.

2. In order to entitle a Government servant to this additional casual leave the attendance in such cases should be under the previous written orders of the gazetted officer in charge, who should say in the order whether or not this attendance is 'compulsory'.

3. The compensation (casual) leave to the extent actually earned will be allowed by the officer competent to sanction casual leave to the Government servant concerned subject to the same conditions as are prescribed for the grant of casual leave.

**NOTE :** In lieu of the above instruction, no claim for conveyance charges or extra remuneration will be admitted for attendance on Sunday or other holiday.]

<sup>2</sup>[**Instruction :** The aforesaid order shall also be applicable to the Class-IV Government servant from 01.01.1964.]

### **Government of Rajasthan's Decision**

<sup>3</sup>[1] <sup>4</sup>[The order regarding compensation (casual) leave is not applicable to the personal staff of the officers viz., Personal Assistants, Stenographers, Readers in Courts, etc., as they are expected to work with their Heads even during such holidays and are not, therefore, entitled to compensation (casual) leave.]

<sup>5</sup>[2. **Grant of compensation (casual) leave to Ministerial and Class IV Government servants who can not avail of ordinary weekly off or holidays.**

It has been brought to the notice of the Government that there do not exist adequate arrangements in the departments to allow compensation (casual) leave in lieu of weekly holidays and other gazetted holidays to the Government servants belonging to Ministerial and Class-IV services when they are compulsorily required to attend to their duties on such holidays.

2. Your attention is invited towards Part-III-A of Appendix I of Rajasthan Service Rules, Volume-II, which provides that in the circumstances, mentioned above, the ministerial and Class-IV

Government servants may be allowed compensation (casual) leave provided such Government servants are not required to attend office on holidays as a penalty.

3. Government have noted this matter with concern and it is therefore ordered that suitable instructions may be issued to all heads of offices under your control to ensure that compensation (casual) leave is granted to such Government servants as and when they apply for it within a calendar year subject to the conditions laid down in Part-III-A of Appendix -I of R.S.R. Volume-II.

4. However, where it may not be practicable to ask another Government servant to work in place of the Government servant who is required to be granted compensation (casual) leave, on account of inadequacy of the staff of the same categories, concrete proposals to provide leave reserves or to increase existing leave reserves should be sent by you to the Administrative Deptt. latest by 30.06.1970. While forwarding proposals for providing leave reserves the following points should be taken into consideration :-

- (i) Categories of Government servants required to attend to their duties compulsorily on weekly holidays and other Gazetted holidays. When they are required to attend only for half the day, this may also be mentioned.
- (ii) Number of Government servants in each category who are required to be relieved from duty on holidays or on any day on which they avail compensation casual leave.
- (iii) What is the existing system of replacing the Government servants on holidays and whether the system is working satisfactorily.
- (iv) Whether providing of leave reserves or increasing existing leave reserves would be the proper solution of the problem, if the system is not working satisfactorily. If so, proper data should be given.
- (v) Any other point which the department may like to mention taking into consideration the functioning of the department.]

#### **Government of Rajasthan's Instructions.**

<sup>1</sup>[1. A question has been raised as to whether a person who is appointed as a 'substitute' in a vacancy caused due to the Government servant being on leave, training, foreign service etc., is entitled to leave including casual leave and other concession e.g. house rent allowance, free medical treatment and attendance (including medical reimbursement) during his tenure of appointment as a 'substitute'.

The matter has been examined and it is clarified that a substitute is entitled to only pay, special pay attached to the post and dearness allowances on such pay and *ad-hoc* relief according to rules. The concessions of house rent allowance, free medical facilities etc., as admissible to regular Government servants are not admissible to him. Similarly no leave (including casual leave) will be admissible to him except leave without pay which may be sanctioned by the authority competent to sanction casual leave.

Past claims already settled otherwise may not be re-opened.]

Similarly no leave (including casual leave) will be admissible to them except leave without pay which may be sanctioned by the authority competent to sanction casual leave.

With a view to ensure that irregular claims are not drawn and also that audit may effect proper check it has been decided that all Drawing Officers should write the words 'substitute' in the pay bills invariably against the name of such a Government servant who has been appointed as a 'substitute' in a leave vacancy.]

### <sup>1</sup>**[III-B. Special Compensation (Casual) leave to R.A.C Personnel]**

Special compensation (casual) leave not exceeding 31 days may be granted during the year 1966 to R.A.C personnel released by Pakistan after being prisoners of war.

### <sup>2</sup>**[Restricted Holidays]**

It is observed that a restricted holiday is not exactly covered under Rule 7(12)(b) of Rajasthan Service Rules, as it stands at present, because on a restricted holiday, the office is not closed for transaction of Government business without reserve or qualification. However, as the restricted holidays are akin to other closed holidays, it has been decided that restricted holiday can be prefixed or suffixed to regular leave or casual leave.]

## **IV. Quarantine Leave**

Quarantine leave is leave of absence from duty necessitated by orders not to attend office, in consequence of the presence of infectious disease in the family or household of a Government servant. Such leave may be granted by the Head of the Office on the Certificate of a Medical or Public Health Officer for a period not exceeding 21 days, or in exceptional circumstances 30 days. Any leave necessary for Quarantine purposes in excess of this period shall be treated as ordinary leave. Quarantine leave may also be granted when necessary in continuation of other leave subject to the above maximum. Except in the cases mentioned in the notes below, no substitute should be appointed in place of a Government servant absent on Quarantine Leave. A Government servant on Quarantine Leave is not treated as absent from duty and his pay is not intermitted.

### **Explanations**

- <sup>3</sup>[(1) Quarantine leave is not admissible in the case of a Government servant who himself contracts an infectious disease. He will be granted leave according to leave rules.
- (2) The maximum limits of 21 and 30 days prescribed in this Rule refer to each occasion on which leave is applied for and granted.]

### **NOTES**

1. Cholera, Small-pox, Plague, Diphtheria, Typhus fever <sup>4</sup>[xxx] and Cerebrospinal Meningitis may be considered as infectious disease for the purpose of the rule. In the case of Chicken-pox Quarantine Leave should not be sanctioned unless the Health Officer responsible considers that because of doubt as to the true nature of the disease, for example, small-pox there is reason for the grant of such leave.

## **V. Foreign Service**

### **1. Procedure for payment of contribution:**

(a) A copy of the orders sanctioning a Government servant's transfer to Foreign Service must always be communicated to the Accounts Officer by the authority by whom the transfer is sanctioned. The Government servant himself should, without delay, communicate a copy to the officer who audits his pay, and take his instructions as to the officer to whom he is to account for the contribution; report to the later officer the time and date of all transfers of charge to which he is a party when proceeding on, wherein, and on return from, foreign service, and furnish from time to time particulars regarding his pay in foreign service, leave taken by him, his postal address and any other information which that officer may require.

(b) The Accounts Officer to whom communications should be made in respect of Foreign Service is the Accountant General.

### **2. Rules regarding leave and grant of leave:**

A Government servant on foreign service is himself personally responsible for the observance of the rules in Chapter XIII of the Service Rules by accepting leave to which he is not entitled under the rules he renders himself liable to refund leave salary irregularly drawn, and in the event of his refusing to refund, to forfeit his previous service under Government, and to cease to have any claim on Government in respect of either pension or leave salary.

When a Government servant is transferred otherwise than for the public convenience a copy of the order of transfer should be sent to the Accountant General with an endorsement stating the reason of the transfer. In the absence of such an endorsement the Accountant General shall assume that the Government servant has been transferred for the public convenience.

2. In the case of a non-gazetted Government servant a certificate from the Head of the Office may be accepted in lieu of the copy of the order referred to in Rule 1.
3. The grant of Travelling Allowance under the rules is desirable as far as possible in all cases falling under the Travelling Allowance Rules governing Travelling Allowance of persons attending commission of enquiry, etc. as it avoids correspondence and tends to facility of audit.]

<sup>1</sup>[Note : The rates of contributions payable on account of pension and leave salary during and in respect of foreign service prescribed under Rule 146 and 147 of the Rajasthan Service Rules and laid down in Appendix V of the Rajasthan Service Rules—Volume II on percentage basis are, at present worked out to the nearest paisa. While there is no particular advantage in calculation the pension and leave salary contributions to the nearest paisa, the calculation/ recovery of these contributions causes accounting difficulties all round.

It is now decided that with effect from 1.9.1969 their contributions should be rounded off to the nearest rupees, fractions equal to 50 paise or more being rounded off to the next higher rupee.]

<sup>2</sup>[2. In the case of members of the State Services, Subordinate Services, Ministerial Services, and Class IV Government servants referred to in Column 3-6 of the Annexure, the "maximum monthly pay" for the purpose of applying to the relevant percentage rate will be the maximum of the pay, as defined in Rule 7(24) of the Rajasthan Service Rules, of the post held by a Government servant at the time of his proceeding on foreign service or to which he may receive proforma promotion while on foreign service plus Non-Practicing Allowance-Non-Clinical Allowance/Special Pay granted in lieu of a separate scale and/or dearness pay appropriate to such maximum.]

#### **Government of Rajasthan's Instructions**

<sup>2</sup>[ As the revised rate of pension contribution mentioned in the annexure included an element for the grant of extraordinary pension also, the liability for the same will, in future, fall on the State Government.

The revised rates will effect from 1.2.1970 and pension contribution in respect of Government servants in foreign Service on that date will be recovered at the revised rates on the pay admissible to such Government servants for the month of February, 1970 onwards.]

Rates of monthly contribution for leave salary on active services shall be at the rate of 11% of the pay drawn on foreign service in respect of all classes of Government servants. <sup>3</sup>[xxx]

The term "active foreign service" includes the period of joining time which may be allowed to an officer both on the occasion of his proceeding to and reverting from foreign service, and accordingly contributions are leviable in respect of such periods.

<sup>4</sup>[Length of service means the entire continuous service of the Government servants concerned, including temporary service in a pensionable post.]

In case of a temporary Government servant who is transferred to Foreign Service, Government may decide whether or not to recover pension contributions having regard to the probabilities of the Government servant qualifying for pension. If it is decided to recover such contributions they should be calculated with reference to his length of service in the following manner—

- (a) If he is on a time-scale of pay, on the maximum of time-scale, and
- (b) if he is on a fixed rate of pay, on that pay.

In such cases the recovery of contributions for leave salary does not present any difficulty the amounts being calculated on the pay actually drawn in foreign service. Literacy and other allowances which are drawn by Government servants should be taken into account in calculating average emoluments for purposes of leave salary and pension respectively, and should be considered as part of the maximum monthly pay of the grade substantively held.

## Government of Rajasthan's Decision

<sup>1</sup>[Under Rule 188-A of Rajasthan Service Rules, half of the continuous temporary service which is followed by confirmation counts for pension, there is a greater possibility of temporary service counting for pension, and it is but reasonable that pension contribution should be recovered in all such cases. It has accordingly been decided that when a temporary Government servant is transferred to foreign service, pension contribution should be recovered as in the case of permanent Government servants. Pension contribution is also to be recovered in respect of quasi- permanent Government servant who is transferred to foreign service.]

The question has also been considered whether rate of pension contribution lower than that in respect of permanent Government servant should be prescribed in the case of temporary Government servant on foreign service. Such reduction is considered unnecessary, because the rate of contribution can at least be determined only on a rough basis, and a different basis for temporary personnel would lead to accounting complications.]

(i) **Incidence of Pay and Allowances, other than leave salaries:-** The Rules given in Section I of Part 'B' of Appendix 3 to Account Code, Volume I, shall apply *in toto*.

#### Government of Rajasthan's Decision

<sup>2</sup>[It is ordered that Central Government employees who are on deputation to Rajasthan Government may be allowed, while on deputation, Interim Relief at the rates sanctioned by the Government of India on the conditions laid down in Ministry of Finance (Department of Expenditure) Office Memorandum No. F.8 (5) E-III/A/70, dated 30.9.1970 (as amended/modified from time to time)].

#### (ii) Incidence of leave salary :

(a) **Temporary transfer :** The liability for leave shall be extinguished by recovering Leave Salary Contribution at rates to be prescribed by the lending Government, but no contributions shall be payable for the period of leave. The recovery of Leave Contributions would extinguish all future liability for the leave earned during the period of deputation excluding the grant of special disability leave. As regards the later kind of leave the allocation shall be governed by rule 6 in Section II of Part 'B' of Appendix 3 to Account Code, Volume I.

(b) **Permanent transfer :** Leave salary shall be allocated according to Rule 3 or Rule 9 of Section II of Part 'B' of Appendix 3 to Account Code, Volume I, according as the Government servant is subject to the Leave Rules of the Fundamental Rules or Revised Leave Rules, 1933. In the case of the "Revised Leave Rules, 1933 (or equivalent)" the liability of the Lending Government shall include both "Earned Leave" and "Half Pay Leave" at credit on the date of permanent transfer of the Government servant.

Madras Government have not agreed to the Rules of allocation regarding Half Pay Leave.

**Note :** It shall be decided at the time of transfer from a State, whether the Leave Rules to which the Government servant concerned was subject while serving under the State Government should be deemed equivalent to the Fundamental Leave Rules or the Revised Leave Rules, 1933. When neither of those rules can be applied appropriately, the two Governments shall settle the issue at the time of transfer in keeping with the principle underlying those rules, as far as possible.

(c) Both in the case of temporary transfers and in the case of permanent transfers, the Government sanctioning 'Leave not due' shall bear the charge on account of such leave, in the first instance, in all cases, but in the event of the Government servant on return from such leave, being transferred to another Government before the 'Leave not due' taken by him is completely earned by duty, such re-adjustment of the Charge shall be made as may be agreed upon by the two Governments concerned.

(iii) **Incidence of the cost of Passage :** The liability shall be extinguished by the recovery of Passage contributions as provided in section III of Appendix 3 to Account Code, Volume I.

(iv) The procedure set out in (ii) above shall also be followed for the allocation of pension. In other words, in all cases of temporary transfers, pension contributions at rates prescribed by the Lending Governments, shall be recovered from the borrowing Government for the period of deputation, but no contribution shall be payable during any period of leave. The liability of a period of leave. The liability of a borrowing Government to pay contributions to the Lending Governments ceases when a Government servant is permanently transferred to the former but the Lending Government shall remain responsible for the pensionary charges of the Government servant in respect of the service rendered under it, prior to the permanent transfer including the period of service and leave, for which contributions have been recovered. This liability shall be discharged by paying a proportionate pension when it is sanctioned, the allocation being made on the basis of the length of service and the rules laid down in section IV of Appendix 3 to Account Code, Volume I, being followed "*mutatis mutandis*". If the pensioner is entitled to get his pension commuted, the commutation shall have the effect of absorbing or reducing the share debitable to the different Governments in the order in which these shares rise from the lowest to the largest amount in accordance with rule 32 of section IV of Appendix 3 to Account Code, Volume I.

(v) **Incidence of charges of Bonus in respect of Government servants who are employed on bonus terms** : The principle given in Section V of Appendix 3 of Account Code Volume I, shall be adopted. In other words, the lending Government shall recover from the borrowing Government such bonus contributions as may be agreed upon between the two Governments.

(vi) **Incidence of Government contributions to I.C.S Family Pension Fund** : The question shall be decided by mutual agreement in each case as and when it arises.

(vii) **Incidence of Government contributions to the I.C.S Non- European Members Fund** : The liability shall be settled by current recovery of a contribution to be fixed ad hoc at Rs. 20/- per mensem. Madras Government have not agreed to the arrangement.

- (1) Transfers on duty may be of two kinds :
  - (i) A Government servant may proceed on duty from one Province or Circle of audit to another.
  - (ii) Government servant may proceed on duty from one place to another in the same Province or Circle of audit.
- (2) In the former case the certificate should be given as follows :-
  - (a) If the Government servant is employed at the station of the Accountant General of his province the certificate should be given by that officer provided that the system of payment after pre-audit is followed in the audit office; otherwise the procedure laid down in clause (b) below should be adopted.
  - (b) If he has to pass through that station on his way to his new Province, the certificate should be given by the officer in charge of the Treasury from which he last drew pay and countersigned by the Accountant General.
  - (c) If he is not employed at, and has not to pass through, the Accountant General's station, the certificate should be given by the officer in charge of the Treasury and a duplicate of it should be forwarded by the Treasury Officer to the Accountant General for countersignature and transmission to the Accountant General of the transferred Government servant's new Province.

**Exception :-** As an exception to the preceding rule, the Last Pay Certificate of non-Gazetted Government servants transferred from one Province or Circle of audit to another may be given by the Head of the Office and need not be countersigned by the Accountant General concerned but in the case of transfers out of India, the Last Pay Certificate should be signed by the Accountant General.

- (6) In all cases of transfers from one district to another within the same audit circle, the Last Pay Certificate should specify the last regular or monthly payment; and the entire pay for the month in which transfer has been made should be paid in the new district except where the Treasury or the Financial Rules of a Government provide to the contrary.
- (7) In the case of the pay bill of a Government servant of whatever rank required to accompany the headquarters of Government to a hill station or other station which has been declared to be the headquarters of Government for the time being, the signature or countersignature of Gazetted Government servant on the bill may be treated as a Last Pay Certificate for the purpose of these rules.

### Rates of Dearness Allowance and Rules for the drawal of Dearness Allowance

<sup>1</sup>[I. *Rates of Allowances and applicability.*—(1) In supersession of all existing orders regulating the grant of dearness allowance, special grain allowance, etc., it is ordered that the following rates of dearness allowance shall be applicable with effect from the 1st April 1950, to all Government servants within the rule making power of the Rajasthan Government :—

<i>Pay</i>	<i>Rates of dearness allowance</i>
Upto Rs. 39/-per month	Rs. 12/-per month
Rs. 40/-to Rs. 99/-per month	Rs. 15/-per month
Rs. 100/-to Rs. 199/- per month	Rs. 20/-per month
Rs. 200/- to Rs. 499/- per month	Rs. 25/- per month
Rs. 500/- to Rs. 699/- per month	Rs. 30/- per month
Rs. 700/- to Rs. 1,000/- per month	Rs. 40/- per month

Government servants in receipt of a pay in excess of Rs. 1,000/- shall draw such amount as dearness allowance as together with their pay will make upto Rs. 1,040/-.

#### NOTE

Pay shall include special pay, personal pay and in the case of constables and head constables literacy allowance.

#### *Clarification.*

<sup>2</sup>[A question has been raised as to whether an amount of special pay payable to a Government servant which is not charged to the Budget Head to which his pay is charged, should be included in pay and compensatory allowance e.g., dearness allowance, house rent allowance should be allowed on such pay which may include such special pay.

The matter has been examined and it is clarified that such special pay which is debitable to budget head other than the relevant head to which pay of the Government servant is charged, may be included in pay and compensatory allowances e.g., dearness allowance house rent allowance be allowed on such pay and charged to the budget head to which the basic pay is charged]

<sup>3</sup>[2. Attention is invited to Finance Department Memo dated 23-11-1967. (Appearing as Clarification No. I above) under which it has been clarified that special pay which is debitable to budget head other than the relevant head to which pay of the Government servant is charged may be included in pay and compensatory allowance e. g. dearness allowance, house rent allowance be allowed on such pay and charged to the budget head to which the basic pay is charged.

To obviate all confusions in the accounting procedure it is decided that all drawing and disbursing officers will record a note in such claims to the effect that Compensatory allowance e.g., dearness allowance has been charged after taking into account the special pay classified under a different head, (complete head of account with full particulars, such as the Bill number and date of presentation of the claim at the treasury or the voucher number and date of payment in case the special pay has already been drawn, is to be mentioned).]

<sup>1</sup>[5. Some doubts have been raised regarding the scope of conditions prescribed in para 2 of Finance Department Order No. F. 1(182) FD (A) Rules/56, dated 2-10-1958. The matter has been examined and it is clarified that the rates of dearness allowance applicable to Central Government employees on 31-10-1956 should only be taken into account for the purpose of para 2 of the aforesaid order and not any subsequent increase in dearness allowance sanctioned by Government of India on or after 1-11-1956.

In view of the above clarification, persons who on or after 1-10-1958 drew Dearness Pay in accordance with the Rajasthan Services (Protection of Service Conditions) Rules, 1957 at the same rate as was admissible on 1-11-1956 will not be entitled to the *ad hoc* increase of Rs 5/- in Dearness Allowance sanctioned by the aforesaid order.]

<sup>2</sup>[6. Vide para 3 of the Finance Department Order No. F. 1 (C) (12)FD(A) Rules/60 dated 18-10-1960 the *ad hoc* increase in dearness allowance sanctioned under the aforesaid order was not admissible to employees in receipt of protected Dearness Pay under Rule 14 of the Rajasthan Civil Service (Protection of Service Conditions) Rules, 1957.

On reconsideration of the matter, it has been ordered that although these employees were, with effect from 1-4-1958, benefited by the grant of higher amount of Dearness Allowance (excluding Dearness Pay) than other employees in accordance with paragraph 12 (vi) of Finance Department Order No. 4641/58/F. 7 A (14) FD (A) Rules/58 dated 2-3-1959 in addition to protected Dearness Pay, they may, as a special case, be allowed the *ad hoc* increase of Rs. 5/- in Dearness Allowance with effect from 1-7-1960 subject to conditions laid down in Finance Department Order No. F. 1 (C) (12) FD (A) Rules/60, dated 18-10-1960. Accordingly para 3 of the Government Order, dated 18-10-1960 referred to above may be treated as cancelled.]

<sup>3</sup>[7. Attention is invited to Finance Department Order No. F. 1 (182)A-Rules/56, dated 20.3.1957. A question has been raised whether *ad hoc* increase in dearness allowance sanctioned under the aforesaid order is also admissible to employees of the former Ajmer State drawing pay in the Ajmer Scales of pay. It is clarified that the *ad hoc* increase is admissible to employees of the former Ajmer State, subject to conditions laid down in the above mentioned order.]

<sup>4</sup>[8. A question has been raised as to how the provisions of Finance Department, Order No. F. 1 (182) (A) Rules/56, dated the 20th March, 1957 read with Memo No. F. 1 (C) (7) F. D. (A) Rules/60, dated the 7th February, 1962 should be implemented for grant of *ad hoc* increase in dearness allowance to employees of former Ajmer State drawing pay in Ajmer Scales of pay and in receipt of Dearness Pay under Rule 14 of the Rajasthan Service (Protection of Service Conditions) Rules, 1957.

It is clarified that *ad hoc* increase would be admissible only to such employees whose emoluments (i.e. pay plus protected dearness pay plus dearness allowance at Rajasthan rates), do not exceed Rs. 100/- P.M.

The last sentence of Finance Department Order, dated the 20th March, 1957 referred to above may be deemed to have been superseded.]

(vi) *Dearness Allowance on broken periods of a month.*—Since the eligibility for the Dearness Allowance is dependent on pay as defined in sub-para (i) above and not on the amount of pay actually drawn during any particular period of a month, the allowance in respect of broken periods of a month, or periods in a month during which different rates of pay are drawn, shall be the amount calculated for the number of days of duty at the different monthly rates of pay allowed during the month.

(vii) *Dearness Allowance to re-employed pensioners.*—Retired Government servants who have been or may be re-employed and who are allowed to draw their pension in addition to pay will be eligible to draw the allowance if their pay plus pension does not exceed the monetary limit prescribed. In such cases the allowance will be calculated as follows:—

(a) In the case of officers whose pay plus pension exceeds the sanctioned maximum pay of the post, the allowance will be calculated on that maximum.

(b) In other cases the allowance will be calculated on the pay plus pension.

(c) In the case of officers on leave the allowance will be calculated on leave salary alone (excluding pension), provided that payment of the Dearness Allowance in cases covered by clause (a) and (b) above will be restricted to the amount derived after deducting the amount of relief which the Government may have sanctioned to its pensioners from the amount of Dearness Allowance calculated.

(viii) *Dearness Allowance to those who are in receipt of any emoluments from any other Government in addition to pay.*—Government servants in receipt of any emoluments of the nature of pay, leave salary or pension from any other Government in addition to pay from Government will, subject to the total emoluments not exceeding the limit prescribed for eligibility for Dearness Allowance, draw the allowance on the basis of their pay from Government.

Government have also been pleased to order that the change in the rate of dearness allowance admissible to a Government servant necessitated by the issue of this amendment will not apply retrospectively and will have effect only from January 1, 1953.

#### **Government of Rajasthan's Decisions.**

<sup>1</sup>[1. *Dearness Allowance to Government Advocates, Public Prosecutors, etc.*—It seems there is some doubt on the question of Dearness Allowance to Government Advocates, Public Prosecutors, etc. The position in this regard is very clear. In accordance with note 2 (c) below the orders relating to Dearness Allowance to Government servants applicable from 1-4-1950 (which were in supersession of all previous orders on the subject) Dearness Allowance is not admissible to part-time employees. As the Government Advocates, Deputy and Assistant Government Advocates, Public Prosecutors, Assistant Public Prosecutors, etc. are *in* the part-time employ they are not entitled to Dearness Allowance.]

<sup>2</sup>[2. *Dearness Allowance to industrial employees of Government Presses.*—The unified rates of Dearness Allowance sanctioned for Government servants of Civil Departments are also applicable to whole-time industrial employees of Government Presses (other than those paid from contingencies) for whom unified scales of pay have been announced under the Rajasthan Civil Services (Unification of Pay Scales) Rules.]

<sup>2</sup>Inserted by F.D. No. F. 7 (2)/R/52, dated 3-3-1952.

<sup>1</sup>[3. It has been brought to the notice of Government that Dearness Allowance at the rates in force prior to 1-4-1950 is still being drawn by some Government servants, wherever these are advantageous to them as compared to the rates admissible under Finance Department Order No. 2.

This must stop forthwith, and Heads of Departments and Offices should ensure that Dearness Allowance otherwise than in accordance with the order dated 11-1-1951 is not drawn by Government servant. *It should be remembered that Drawing Officers are personally responsible for over-drawals of this kind.]*

<sup>2</sup>[4. *Dearness Allowance to work-charged establishment.*—Government have had under consideration the question regarding Dearness Allowance which should be paid to work-charged establishment in the P. W. D. The matter has been examined and it has been held that in the case of appointments to posts corresponding to posts for which time-scale has been prescribed in the Schedule to the Unification of Pay Scales Rules, such appointments should be at an appropriate stage in these scales. When this is done Dearness Allowance should also be paid in accordance with rates prescribed for corresponding Civil Services under Government Order No. 2.

Where pay in the case of such appointments is already on a consolidated basis, pay in the scale will be refixed after eliminating the element of Dearness Allowance and allowance will be allotted separately as indicated above.

In the case of other appointments, the pay of the work charged staff should be fixed on a consolidated basis and no Dearness Allowance would be payable in addition to such consolidated rates.]

##### Rules to govern the drawal of Conveyance Allowance during leave and temporary transfer

<sup>1</sup>[In exercise of powers vested in them under rule 42 of the Rajasthan Service Rules, Government are pleased to make the following rules to govern the drawal of conveyance allowance during leave and temporary transfer :-]

<sup>2</sup>**[1.Motor car or Motor cycle :** Conveyance allowance, granted on the condition that a Motor Car or Motor Cycle is maintained, shall not be admissible during :-

- (a) Joining time, leave and any period of temporary transfer and during holidays prefixed to leave or holidays suffixed to leave and joining time.
- (b) Any period of more than 15 days at a time during which a Government servant does not maintain a Motor Car or the Motor Car maintained by him remains out of order or is not used for official Journeys for any other reasons.]

##### Government of Rajasthan's Decision

<sup>3</sup>[The question regarding admissibility or otherwise of cycle allowance to a Government servant during leave or temporary transfer has been under consideration of the Government for some time past. The matter has been examined and it has been decided that cycle allowance granted to Government servant either for maintaining his own cycle or cycle provided by the Government shall not be admissible during any period of leave exceeding 15 days or temporary transfer or joining time as the case may be.

Past cases already decided otherwise than as provided above will not be re-opened.]

<sup>4</sup>**[2. Horse or other animal:** An allowance granted on the condition that a horse or other animal is maintained may be drawn during leave or temporary transfer if the Government servant certifies that he continued to maintain the animal and that he spent the amount claimed on its up- keep during the period for which the claim is submitted.]

**3. Allowance how regulated when maintenance of conveyance obligatory :** (1) A conveyance allowance to which the obligation of maintaining a motor vehicle or a horse or other animal is not attached is not admissible during leave or temporary transfer.

Note 1. "Leave" means leave taken for a period not exceeding four months, other than leave preparatory to retirement. The title to compensatory allowance will remain intact :-

- (i) when the original leave not exceeding four months is not subsequently extended or, if extended, the total period does not exceed four months, throughout the period;
- (ii) when the original or extended leave not exceeding four months referred to in sub-clause (i) is subsequently extended and the total period exceeds four months upto the date of expiry of the original or extended leave not exceeding four months or the date of sanction to the first subsequent extension which causes the total period of leave to exceed four months, which-ever is earlier.

(When vacation is combined with leave the entire period of vacation and leave should be taken at one spell of leave.)

2. 'Leave' as defined in this note includes extraordinary leave.

Note 2. "Temporary Transfer" means a transfer to duty in another station which is expressed to be for a period not exceeding four months. For the purpose of these rules, it includes deputation. Subject to the limit of four months the title to compensatory allowance, if the temporary duty is subsequently extended beyond four months in all, will remain intact upto the date of the orders of extension.

The provisional payment will be authorised for a period of 3 months in the first instance and may be extended upto six months at the further request of officer though occasions to extend provisional payment beyond 3 months should be very rare. In the absence of L. P. C., the officer concerned should furnish to the Accountant General a certificate about the pay and allowances, advances if any, drawn in the previous post and deduction on account of General Provident Fund, Income Tax, Super Tax, refund of advances etc. The Officer would be personally responsible for the correctness of the information which should be furnished by him to the Accountant General in the form prescribed in the Annexure.

- If the leave has been extended but the leave order leave salary slip has not been issued, the Head of the Office may endorse the charge report to the Treasury Officer in such cases specifying therein that the officer has re-joined duty in the same post after leave and that there has been no break in his service. The Treasury Officer will then allow drawal of duty pay the date of resumption of charge on the basis of pay slip issued to the officer for his duty period prior to his leave.
- (g) **Provisional sanction to leave by competent authorities without waiting for report of admissibility of leave from Accountant General :** In case of privilege leave the administrative authorities may calculate the amount of privilege leave admissible to the officer and issue provisional sanction without waiting for the admissibility report from the Audit. (b) Except as otherwise provided for, the provisions of this order will take effect from the 1st April, 1958.

#### *Rates of Dearness Pay*

2. While there will be no change in the scales of pay attached to the various posts and the basis on which the Dearness Allowance is calculated, out of the Dearness Allowance admissible, the following amounts shall be treated as 'Dearness Pay' in relation to the pay in the ranges specified below :—

Pay Range	Amount of Dearness Pay
Less than Rs 40/- p.m.	Rs 10.00
Rs. 40/- and above, but less than Rs. 60/-	Rs 12.50

#### Leave Salary

3. Leave salary will be calculated as at present (on the basis of pay excluding Dearness Pay) and Dearness Allowance will then be determined in the usual manner on the amount so arrived at.

#### *Pensions & Gratuities.*

4. (a) (i) The Dearness Pay shall count as 'emoluments' for pension and gratuity

<sup>1</sup> Inserted by F. D. Order No. 4641/58 F7A (14) FDA. (Rules)/58, dated 2-3-1959.

<sup>2</sup> The words "less than" substituted for the words "not exceeding" vide F.D. Order No. 2518/59 F 7 A (14) FDA (Rules)/58, dated 4-5-1959, This will take effect from 1-4-1958.

with effect from 1-4-1958. For this purpose, the emoluments as reckoned under Rule 250 of the Rajasthan Service Rules, shall be increased by the Dearness Pay appropriate to the pay equal to such emoluments and the ultimate average emoluments under Rule 251 *ibid* shall be determined on the above basis.

<sup>1</sup>[(ii) In the case of class IV servants the Dearness pay shall also count for pension and gratuity and accordingly the pay or average pay or emoluments shall be increased by the Dearness Pay for purposes of reckoning the pay or average pay or emoluments under Rule 256 and 259 of Rajasthan Service Rules.]

(b) Persons who are eligible to the benefits under sub-para (a) above, will not be entitled to any temporary increase in pension sanctioned in the Finance Department, Notification No. F. 7 (2) R/51, dated 15-1-1951, if, however, the pension calculated under the normal rules, without taking into account the Dearness Pay plus the temporary increase in pension, is more favorable than the benefits under sub-para (a), the individuals concerned may be granted the former.

#### NOTE

<sup>2</sup>[A person who has to make a choice under para 4 above, may choose either (i) pension and gratuity without the dearness pay benefit plus temporary increase, or (ii) the pension and gratuity with the dearness pay benefit but without the temporary increase. It is not permissible under this para to choose gratuity on the basis of emoluments including dearness pay and pension with the temporary increase but without the dearness pay benefits.]

#### *Government of Rajasthan's Decisions.*

<sup>3</sup>[1. A doubt has arisen as to under what rules and to what extent dearness pay will count towards emoluments for pension in case of Government servants who retire on or after 1-11-1956 the date of Re-organisation of States, and who while in terms of Rule 11 of the Rajasthan Services (Protection of service conditions) Rules, 1957, opt pension rules of the unit (i e. the rules applicable to them immediately before the appointed day) or pension rules contained in the Rajasthan Service Rules.

The matter has been considered and it has been decided that in the cases of the type referred to above the dearness pay will count towards "emoluments" for purposes of pension to the extent it counted or counts under the unit or Rajasthan Pension Rules opted by the Government servant, provided the amount which may count shall not, however, exceed the amount of dearness pay actually drawn, with the unit or Rajasthan Pay Scales opted by him]

<sup>4</sup>[2. In accordance with rule 4 (b) the pension calculated under the normal rules, without taking into account the Dearness Pay plus Temporary Increase in pension or the benefits provided in Rule 4(a), whichever is more favorable is granted to the Government servant concerned. The Accountant General, Rajasthan has brought to the notice of Government that Government servant who made request for the revision of their pension claims after the pension is actually sanctioned in terms of the aforesaid rule.

The matter has been considered and it has ordered that option for one of the alternatives referred to in rule 4 (b) shall be exercised by the Government servant in writing and shall be appended to his application for pension. The option once exercised would be final.

Government will entertain his claim for reimbursement of cost incurred by him for his defence, and if Government are satisfied the facts and circumstances of the case that the Government servant was subjected to the strain of the proceedings without proper justification, they will consider whether the whole or any reasonable proportion of the expenses incurred by the Government servant for his defence should be reimbursed to him.

2. Proceedings in respect of matters not connected with official duties or position of the Government servant-Govt. will not give any assistance to a Government servant or reimburse the expenditure incurred by him in the conduct or proceedings in respect of matters not arising out of, or connected with, his official duties or his official position, irrespective of whether the proceedings were instituted by a private party against the Govt. servant or vice versa.

3. Proceedings instituted by a private party against a Government servant in respect of matters connected with his official duties or position.

(a) If the Government on consideration of the facts and circumstances of the case consider that it will be in the public interest that Government should themselves undertake the defence of the Government servant in such proceedings and if the Government servant agrees to such a course the Government servant should be required to make a statement in writing as in Annexure "A" and thereafter Government should make arrangements for the conduct of the proceedings as if the proceedings had been instituted against Government.

(b) If the Government servant proposed to conduct his defence in such proceedings himself, the question of reimbursement of reasonable costs incurred by him for his defence may be considered in case the proceedings conclude in his favour. In determining the amount or cost to be so reimbursed. Government will consider how far the court has vindicated the acts of the Government servant. The conclusion of the proceedings in favour of the Government servant will not by itself justify reimbursement. To enable the Government servant to meet the expenses of his defence Government may sanction, at their discretion, an interest free advance not exceeding Rs. 500/- or the Government Servant's substantive pay for three months, whichever is greater, after obtaining from the Government servant a bond in the form reproduced as Annexure "B". The amount advanced would be subject to adjustment against the amount, if any, to be reimbursed as above. The Government servant may be granted an advance from any Provident Fund to which he is a subscriber not exceeding three months pay or one half of the balance standing to his credit, whichever is less; this advance will be repayable in accordance with the rules of the Fund.

4. Proceedings instituted by a Government servant on his being required by Government to vindicate his official conduct- A Government servant may be required to vindicate his conduct in a Court of Law in certain circumstances. The question whether cost incurred by the Government servants in such cases should be reimbursed by the Government and if so, to what extent, would be left over for consideration in the light of the result of the proceedings. Government may, however, sanction an interest free advance, in suitable installments of an amount to be determined by them in each case on the execution of a bond by the Government servant in the form reproduced as Annexure "B". In determining the amount of costs to be reimbursed on the conclusion on the proceedings, the Government will consider to what extent the Court has vindicated the act of the Government servant in the proceedings. Conclusion of the proceedings in favour of the Government servant will not by itself justify reimbursement.

5. Proceedings instituted by a Government servant *suo moto* with the previous sanction of Government to vindicate his conduct arising out of or connected with his official duties or position. If a Government servant resorts to a Court of Law with the previous sanction of Government to vindicate his conduct arising out of or connected with his official duties or position, though not required to do so by Government, he will not ordinarily be entitled to any assistance but Government may, in deserving cases, sanction advances in the manner indicated in para 3 (b) above, but no part of the expenses incurred by the Government servant will be reimbursed to him, even if he succeeds in the proceedings.

6. Clause (d) of Article 320 (3) of the Constitution requires consultation with the Public Service Commission on any claim by a Government servant for the reimbursement of the costs incurred by him in defending legal proceedings instituted against him in respect of acts done or purporting to be done in the execution of his duty. In other cases consultation with the Public Service, Commission is not obligatory, but it will be open to Government to seek the Commission's advice, if considered necessary.

7. The question whether a case falls under Article 320 (3) (d) of the Constitution so as to require consultation with the Commission may at times be difficult to determine. It may be stated generally that the consultation is obligatory in a case where a reasonable connection exists between the act of the Government servant and the discharge of his official duties, the act must be of such a relation to the official duties that the Government servant could lay a reasonable but not a pretended or a fanciful claim that he did it in the course of the performance of his duties.

8. The appropriate authority for taking decisions in each case will be the administrative department of the Government who will consult the Finance and the Law Departments, where necessary.
